## Heard at the PCCs

The Parochial Church Councils of St Mary's and of St Thomas and St John's met together in a special meeting during the week with the Acting Archdeacon, the Revd Simon Cook. The Team has had a vacancy for an Incumbent for some time, and advertisement of the position has not produced applicants. Simon explained that alongside such recruitment measures, conversations typically take place and, in our case, Archdeacon Rachel and, more recently Simon himself had had discussions leading to him being able to propose that "a sole candidate interview process" take place if each PCC requested it. After further discussion, the PCCs met separately and each made that request using the proper form of words. We should all be encouraged that this possibility has been pursued and moves to set up the interview can be expected within a few weeks. The PCCs were assured that if the ongoing discernment process, including interview, did not confirm the mutual suitability of applicant and our Team, the previous recruitment process could be continued, but with uncertain timescale and outcome.

At the regular meeting of St TJ's PCC the week before, members received a report from a recently-formed Buildings Sub-committee. Recommendations are being prepared for the PCC to enable us to move forward on: testing of key systems such as our electrical installation, agreeing the nature of a replacement for the present inadequate heating system and finding funding for it, and removing an infestation of pigeons from the tower. Work will next be done to consider the report received earlier this year on the state of the church building and to prioritise actions so that the most urgent can be put in hand. The Treasurer's Report was noted, showing an apparent reduction in the number of individual donors paying by standing order, with a consequent reduction in income. Many possible actions in all areas of church life are being logged now that Mission Action Planning, under Adele's leadership, plays a part in every meeting. So far areas of our common life considered have been community involvement, work with children, building work and finance.

It shows what goes on in the life of our parishes, and also identifies some gaps we would like to fill. It can be accessed on-line by googling "Church near you" and heading to the documents section of St Thomas and St John. Or ask in church.

**Would-be volunteers at St Mary's are invited to speak to Vicky or Deb.**

## Giving at St Thomas and St John's

It is good to support our Church by regular giving. A convenient way to do that is to create a Standing Order at your bank. Please ask in church if you need help in doing that. If you would like to still be able to add something to the collection plate as it passes, we have small cards that you can put on the plate to signify your support of the Church. Pick one up from the hymn book table on your way into church. Thank you.

### Eco Church

Certificates to be seen at St Thomas and St John's – including references to twinning the garden and twinning the toilet.

Information about Eco Church can be found in both churches, with tips on how to make yourself and your household more eco-friendly.

Being stewards of God's creation and doing our bit as Christians for the planet, if you have any of the following lying around your home then please bring them to be recycled 🌍♻️😊

## RECYCLE FOR CHARITY

**Did you know, many of your unwanted items could be recycled?**

**Do you have any of these items stuck in a drawer or cupboard ?**

**Please bring along your glasses, hearing aids, foreign currency, stamps, keys, ink & toner cartridges (branded only) & bra's & place them into the boxes provided in church.**

**All items will be collected at the monthly Mission Community Task Group meetings where they will be sorted and sent to where they are needed most.**

**Thank you**
