Safeguarding is everyone's responsibility

The care and protection of children, young people and adults involved in Church activities is the responsibility of everyone who participates in the life of the Church. If you are concerned that someone you know is at risk, or is being abused, or presents a risk to others, please seek advice from the Parish Safeguarding Officer. If a child or adult is in immediate danger or requires medical attention call the emergency services without delay.

Men's Walking Group

We have been so lucky with the weather for the last year or thereabouts, so I suppose our luck had to change sometime. With our waterproofs well and truly to the fore we travelled by bus to Little Hayfield for our June adventure. We walked up onto the moor via Park Hall and then the Grouse Shooter's trail, before following the path down to Carr Meadow where we stopped for a brew by the stream. We then climbed up to what I still refer to as The Grouse where we had delicious bacon butties and another brew at Joan's Snack Cabin.

It was then decision time! The group were given the choice of continuing on a more challenging walk with Steve Hoon or a less challenging one with me (bus back to Glossop first!). Some took the high road and some took the low road but we all eventually arrived back at the Hare and Hounds pub safely where we enjoyed our social time together over a well deserved pint.

We have had an additional walk in June which was a little more challenging and was intended for the fitter members of the group. The walk was a circular route from Gradbach visiting The Shires Head and beyond. It was a little longer than our normal walks but was greatly enjoyed by those who took part.

I do intend to have another additional more challenging walk in July too (Visiting Mill Hill and Kinder-Downfall), but our regular walk will be on Thursday 10th July when we will be visiting the crashed aircraft site at Higher Shelf Stones.

The Men's Walking Group is very friendly and welcoming to new members. Please get in touch with me if you would like any further information.

THE LAST NEWSLETTER

Our notices on a Sunday and our improving publicity means that there has become less and less need for a newsletter. Future needs are being discussed but, in the meantime, this will be the last newsletter for a while.

I hope you have enjoyed the newsletter in the last couple of years but, as we move forward, thank you to all those who have regularly contributed (especially Ivan—faithful writer)
