

The Church of the Good Shepherd, Brighton

# Prayer Diary

July - August  
2025

Welcome to the Parish Prayer Diary for the Church of the Good Shepherd.

Intercession, or praying for others, is an important part of the Christian life of prayer. We pray for others, just as we ask others for their prayers, not because we need to tell God what is happening, but because it is a core part of being Christian. We are told in the Letter to the Hebrews:

*“Consequently he is able for all time to save those who approach God through him, since he always lives to make intercession for them.”*

*Hebrews 7:25*

Basically, as Christians, we believe that Jesus rose from the dead and sits on the right hand of God. There, he brings the prayers of the people to the Father. When we are baptised, we become part of this priesthood of Christ, and part of his body on earth. We take on part of his role of praying for others, and sharing in that body of Christ in heaven. In this way, praying for others is not something that we do as a kindness to others (though it is kind!). We do it because it is a gift given to us at Baptism, and makes us part of Christ's work.

You can use this booklet however is most helpful to you. You may have a set time of prayer each day, in which case, you can incorporate it in times of silence and stillness. You may read through the names and areas of church life, before taking them on your heart out for a walk. You may keep this booklet in a set place at home, or you may carry it in your bag to use while waiting for a bus. There is no right or wrong way to pray for others. You can try different things and see what works for you.

The intentions (or items of prayer) for the Anglican Communion are taken from the Anglican Cycle of Prayer which is used by Anglicans all over the world. Those for the Diocese are taken from the Diocesan Cycle of Prayer, which is used by churches across the Diocese of Chichester. Those for the Deanery and the Parish are specific to this cycle. We pray through the churches of the deanery in turn, and for residents in each road of our parish. For those who have died, they are taken from our own list of Anniversaries of Death. If there is anything that you think is missing, please let Mthr Alice know - she will be glad to add names, groups and organisations to the cycle.

Happy praying!
