## **Eco Church - *One Action a Month.***

Taking action to become more Eco friendly can seem overwhelming. One approach is to focus on one eco-friendly action per month to build sustainable habits.

For example, in July, you could focus on switching to washing up liquids or clothes washing detergents that are free from the toxic chemicals that pollute our rivers and streams.

**PS:** *Please do come to browse the eco-friendly washing up liquids and other sustainable household item on the stall today.*

*There is **10% off** all the cleaning products today!!*

## **TEAM BBQ**

### **St Thomas' Summer Fair - *new date: Saturday 30th August***

Many apologies for the last minute announcement but unfortunately the date for the Summer Fair has had to be changed as a large number of the stall holders and supporters are no longer available on July 19th.

Dear Colleagues,

Our diocese will be hosting its first Intercultural Kingdom Conference on Saturday 15th November 2025, at St Cross Church, Clayton. The event is an exciting opportunity to rejoice in the diversity of Manchester Diocese, with a day of worship, teaching, and hospitality.

The keynote speaker is The Rt Revd Saju Muthalaly, Bishop of Loughborough, who helps Christians from Global Majority Heritage backgrounds feel welcomed and enabled in the life of the Church.

A whole church family event, there will also be a small number of breakout seminars to choose from and a free lunch of international cuisines.

For further information and to secure your ticket(s), please visit the following Eventbrite link to register:
