This year has been an exceptionally hard year for our local farmers with the extensive drought conditions. In recognition of the pressure that farmers are facing we will be collecting donations to support The Farming Community Network, FCN. FCN are a voluntary organisation & charity that supports farmers and families within the English & Welsh farming communities. They run a national helpline and e-helpline providing free, confidential support to anyone who seeks help.

If you wish to bring along non-perishable foods items to a Harvest Service, these will be donated to Pershore Food Bank.

After the 11:00 Holy Communion Service at Throckmorton we will be having a picnic. Bring your own food, drink and picnic chairs. If it is wet, we will stay in the church.

Sunday 31st August - 11th Sunday after Trinity

11:00am - Holy Communion - Throckmorton, *followed by bring your own picnic*

Eco Church - *caring for God's creation*

Update from St Anne's Wyre Piddle.

We have set up a Hedgehog House in the naturalised Nettle Corridor. A Bee House has been given to us and we now need advice where best to place it. We are spraying white vinegar on the paths for weed control (have been warned to avoid actual church stonework). We are now receiving eco tips from the Wyre Piddle Community WhatsApp sub-group called "Eco Friendly Living Group"
