## The Rev's Ramblings

Have you ever seen someone you know, but in a place where you weren't expecting them, and you nearly don't recognise them?

If you were prepared to see them it would be much easier. If someone throws something to you after saying "catch" you might stand more chance of catching than if you had no warning.

The problem is we don't always have a warning of things which happen. We can have two extremes which are not very helpful.

We can catastrophise over everything and live in fear which actually stops us from living as much as the thing we fear, or we can live as if nothing unexpected will ever happen. This too can have its dangers.

Maybe the middle way of faith is what we need which prays for God's will to be done as we say in The Lord's Prayer. Every day we can pray:

"God, I don't know what will come my way today, but I pray I will find You in all things, and that I will respond to the challenges in the way You call me to.

I trust You God, even if I don't understand Your plans from where I am standing.

I thank You God that I have nothing to fear if I am holding Your hand.

Please let me live my everyday life walking as near to You as I can.

And may Your will bless the lives of my family and friends and the whole world. In Jesus' name. Amen"
