### A prayer for August

Lord Jesus, thank you for your example of spending time alone in prayer with your Father. In our busy lives, help us to remember the importance of setting aside time for rest and quiet prayer.

### This month please pray for:

- students and staff in schools and further education as they take their summer break;
- an end to the conflicts in Ukraine and the Middle East, and help for the starving in Gaza;
- more support for the millions of unpaid carers in this country struggling to combine work with providing essential care for a family member;
- our mission and ministry work in the parish.

### News

**In the church:** We are delighted with the response to opening the church to visitors two days a week through the summer. Particularly pleasing are the kind comments left by visitors in the Visitors' Book.

**School Visit:** On 17 July pupils from the village school thoroughly enjoyed their visit to All Saints, with a quiz on the features of the church, and an action song at the end of the visit. Each child was given a bookmark as a memento of their visit.

**Churchyard:** Please be aware of the small marker pegs across the churchyard from the hall porch to the east end of the church, marking the path of the underground power cable.

**Benefice Garden Party:** Many thanks are due to Jo and Derek for a delightful event. Perfect weather, delicious food and a very warm welcome awaited all those who were able to attend on the last Saturday in July.
