September Activity Sheet

"Love" as a Fruit of the Spirit means more than just saying 'I love you.' It's about acting like Jesus. That means being patient, kind, helping and protecting others, and not giving up on them. God shows us His never-ending love, and we can show that love too—by caring for people, praying for them, and sometimes giving up what we want to help them. We love others because God loved us first.

MEMORY VERSE
