## **PUBLIC CONSULTATION**

A public consultation about the proposed fracking site on Burniston Road has been opened by the Environment Agency. Europa Oil and Gas Limited (the operator) has submitted an application for an environmental permit to construct a wellsite (Cloughton 2 wellsite) near Burniston and there is a live consultation on <https://consult.environment-agency.gov.uk/psc/yo13-0db-europa-oil-gas-limited/> where 'stakeholders' can engage with the consultation. A hard copy of the consultation documents is available for the public to view at Newby and Scalby Library - see attached photo.

Please look at the list of what the Environment Agency can and cannot take account of. For example, they can take account of the impact of noise and odour from traffic on site but not the impact of noise and odour from traffic travelling to and from the site (that's up to North Yorkshire Council).

If you would like to give your opinion to the Environment Agency, this is the link to the online consultation [YO13 ODB, EUROPA OIL & GAS LIMITED, EPR/YP3623LC/A001: environmental permit consultation - Environment Agency - Citizen Space](https://consult.environment-agency.gov.uk/psc/yo13-0db-europa-oil-gas-limited/). The Frack Free Coastal Communities website <https://www.frackfreecoastalcommunities.co.uk> gives guidance on what to put in objections to the Agency, by the deadline of 19<sup>th</sup> September.
