

## Growing Faith and Developing Ministry

Are you wanting to grow in faith and develop the gifts God has given you in the service of the church?

The diocese offers easy-to-access training and study open to all - you don't need formal qualifications.

You can work towards a Certificate of Mission and Ministry by completing the whole course with assignments, or you can simply do the modules for your own faith journey - you can do one module or many, and stop and start as suits you. Find out more and request an information pack from the training website:
