National Emergency Alert Test to be held on 7th September

There will be an Emergency Alert test being sent to mobile telephones across the UK on Sunday 7th September 2025 at around 3pm.

During the test, mobile phones will vibrate and make a loud siren sound for roughly 10 seconds, even if they are set to silent. A message will also appear on phone screens, making it clear the alert is only a test.

Please forward comments, events, submissions, ideas to Sam White by the 15th of the month either by email:- lynvalleymissionoffice@gmail.com. Thank you
