Open to all - especially those involved in children and youth ministry in church! Join us for a morning of learning, sharing, and growing together as we explore how to make church a place of belonging for *every* child and young person. What to expect:

- Awareness-raising around different needs and experiences
- Practical tools to make church more accessible and positive
- Confidence-building in nurturing relationships across diverse backgrounds

- Time for discussion, teaching, prayer & coffee

Let's work together to create spaces where **ALL** children feel seen, valued, and included.

Next steps in faith

A number of people are exploring their faith further and deeper. If you have not been confirmed, why not join them? Speak to the Rector.

Exploring faith

Rev. James is starting a homegroup. Why not join him?

Begin Well starts 9th October for parents of babies due in December/January. We are looking for 'sponsors' to cover the cost of the parent workbook that accompanies the Begin Well antenatal course and a small goody bag for the expectant parents. This would be £10. Please let Gillian know if you are interested in doing this. We would also love to surround these new families with prayer at this exciting stage in their lives so hope to be able to tell you who you will be sponsoring with their permission.
