Interregnum Update

"Rejoice with them that do rejoice, and weep with them that weep."

Romans 12; 15

As the September Parish Magazine goes to press, we are once again waiting to see whether there are any applicants for the post of Incumbent at Christ Church Ainsworth. This is the third time that the post has been advertised and so far, there have been no applicants; let us hope and pray that it will be a case of 'third time lucky'.

Whilst Christ Church Ainsworth remains in interregnum, things are definitely moving in other areas of our Mission Community; the benefice of St. Andrew's, Hillock & St. George's, Unsworth have appointed a new Incumbent who is expected to be in post in the 'not too distant future', and the benefice of Radcliffe (St. Thomas & St. John and St. Mary, Radcliffe) have also recently made an appointment. Hopefully both new Incumbents will be in post before the end of the year.

The temptation here might be to think 'that's not fair – Ainsworth has been in vacancy far longer than any of those Churches'; but the verse from St. Paul's letter to the Romans 12; 15, reminds us that Christians should show empathy and solidarity by mirroring the feelings of others in both good and bad times. As Christians we are encouraged to set aside our own feelings of envy or pride and instead cultivate a spirit of compassion to strengthen community bonds, reflect God's love, and bear one another's burdens.

No one is trying to pretend that Christ Church Ainsworth still being in vacancy doesn't matter, but indirectly, all of our Churches will benefit from these appointments; new Incumbents means fewer Churches relying on visiting Clergy for Service cover so cover might be easier to find; new Incumbents means an influx of energy, enthusiasm and new ideas; new Incumbents means that other Churches in our Mission Community might have the capacity to help and support those Churches that remain in vacancy.

One of the wonderful things about being part of the Radcliffe & Whitefield Mission Community is how much people from the different Churches genuinely care & are concerned for one another; so, let's rejoice with those who have appointed new Incumbents and hope that before too much longer they will be rejoicing with us.

Editor's Spot ...

Welcome to the September 2025 edition of Christ Church Ainsworth Parish Magazine, which is, as always, crammed with interesting articles and useful information.

Although most of our groups and organisations have been enjoying a well earned break over the summer, there have been plenty of other things going on; you can read about our Bugs & Bees Family Event and also catch up with the fun activities that have been happening at Wild Worship.

There are lots of exciting events and activities planned for the coming weeks – the Radcliffe & Whitefield Mission Community Inspirational Worship event, Mothers' Union 'Take A Cake Break' and MacMillan Coffee Morning to name but a few! As always, the best way to keep up with the dates and times of the various events is via the weekly Pew sheet.

Enjoy this month's magazine; if your group or organisation has something to report, or you'd like to include an article in a future edition, please get in touch at ainsworthmagazine@gmail.com

The next Craft & Makers Market will be held on Sunday 12th October 11 – 3pm in Ainsworth Church & Community Hall. Arts & Crafts, gifts, jewellery & much, much more. More details coming soon.

Bugs & Bees Family Event

After several weeks of unbroken sunshine, the morning of our Bugs & Bees family event was decidedly soggy.

Thankfully the rain clouds cleared, the sun came out and an enthusiastic group of children, parents & grandparents had a great time hunting for the bees that were hiding in our Churchyard and completing a bee and pollinator word search.

Craft activities followed a short break for refreshments, with the children creating paper plate bees, googly eyed bugs, mini bee friendly terrariums & decorating pollinator biscuits.

A big thank you to everyone who came along to this event, and also to the team of volunteers who worked tirelessly sticking, snipping and glueing!

MacMillan Coffee Morning

Once again, we'll be taking part in 'The World's Biggest Coffee Morning', with our MacMillan Coffee morning taking place on Friday 26th September from 10.00 – 11.30am in Ainsworth Church & Community Hall.

Any donations of cakes and raffle prizes would be most welcome and can be brought to the Churchyard on Wednesday 24th September from 9.30 -10.00am; to the Church Hall on Thursday 25th September from 8.15 - 8.30pm; and before the Macmillan Coffee morning itself from 9.00 – 10.00am.

ABC First Steps

The 'friendly' parent / carer / tots group, will be returning on Friday 5th September at 10am in Ainsworth Church & Community Hall. Why not come along and join us for play, structured group activities and friendship. We look forward to welcoming former and new families – no need to book, just turn up.

Wild Worship

Throughout the summer break we've once again been enjoying Wild Worship & this year our theme was 'animals in the bible'.

Each week we've enjoyed 'bringing the Bible to life' with some great imagination and use of props within our re-enactments. We've hunted for fun facts hidden in our Churchyard, we've enjoyed craft activities & tasty treats & created a display of the animals that we've learned about.

First up were frogs; a frog hunt through the churchyard revealed lots of fascinating frog facts. Our bible story was The 10 plagues Of Egypt & we all had great fun thinking about how horrible the plagues would have been and then re-enacting the flight of the people of Israel out of Egypt and through the Red Sea, closely pursued by the Egyptian army!

Next up were whales – slightly more of a challenge in a Churchyard, but our folk rose to it with a great rendition of Jonah and the whale, complete with tossing seas, and a rather gruesome discussion about what you might expect to find in a whale's tummy!

Week 3 brought us snakes, and a trip through the Garden of Eden with Adam & Eve revealed a very exotic looking snake coiled around 1 of the large conifers behind our Church, waiting to tempt passers by to taste the forbidden fruit.

Lions were out theme for week 4, with a whole host of hungry lions heard growling & prowling around in the darkness of the Church porch – thankfully Daniel emerged unscathed after a night amongst them.

Donkeys rounded off our final week, but not the nativity donkey or the Palm Sunday donkey; it was Balaam's talking donkey that led us on our final trip, this time through the dusty desert to the Kingdom of Moab.

We'll be leaving the 'Animals In The Bible' display up in Church for a couple of weeks – why not have a look next time you visit.

EcoChurch

Caring for our environment isn't limited to our church-based activities; we can all make small changes to our lifestyles which, collectively, would undoubtedly make a difference.

In the coming months we'll be giving you a 'Make a difference' idea each month, letting you know what we're doing to implement these ideas in Church, plus suggesting small changes that you might like to try to incorporate into your own home or daily routine.

Make A Difference - September:

Getting Ready For Autumn – *Autumn is a crucial time for hedgehogs as they need to build up fat reserves to see them safely through their winter hibernation.*

Could you help out by leaving out a small amount of food to help them do that when other sources may be growing scarce? Leaving a small pile of leaves and twigs in a quiet corner for them to use as a winter sanctuary is also a great help; maybe you could even build or buy a hedgehog house.

Prayer Opportunities At Christ Church Ainsworth

Alongside our regular Services, there are many different opportunities for prayer at Christ Church Ainsworth:

Prayer Tree – feel free to write a short prayer on 1 of the paper leaves you'll find in church, then hang your leaf on our Prayer Tree.

Transforming Prayer Community – a diocese-wide community that seeks to connect and reconnect us with this simple vocation to pray. For more info or to sign up, visit www.manchesteranglican.org

Quiet Prayer Time – our Church is open most Wednesday afternoons between 2.30 – 4pm for quiet prayer & reflection.

Jesus Prayer Hour – via Zoom on the 4th Tuesday of each month

Raising Awareness – International Day Of Peace

Peace is not just a vision; it's a call to action that each of us can answer by promoting understanding, respect, and justice in our daily lives.

The International Day of Peace was established in 1981 by the United Nations General Assembly. Two decades later, in 2001, the General Assembly unanimously voted to designate 21st September as a period of non-violence and cease-fire.

From peacekeepers on the front lines of conflict, to community members, to students in classrooms around the world, everyone has a role to play. We must speak up against violence, hate, discrimination, and inequality; practice respect; and embrace the diversity of our world.

There are many ways to act right now:

- Spark conversations about the urgent need for understanding, non-violence, and disarmament.
- Volunteer in your community.
- Listen to voices different from your own.
- Challenge discriminatory language in your workplace.
- Report bullying both online and off-line, and take the time to verify facts before you post on social media.
- You can also speak up with your choices, opting to purchase items from socially-conscious brands, or donating to organizations that promote sustainability and human rights.

For more info about The International Day of Peace visit [International Day of Peace | United Nations](#)

Prior to this event, we will be holding our usual meeting on 2nd September at 2.30pm in the Church Hall.

WWP visits York Province

In early July our Worldwide President, Kathleen Snow, and Deb Lee, our Zonal Trustee, spent several days in York Province, meeting members and being shown projects where Mothers' Union members are making a difference.

Her final stop was Manchester where, with Provincial President, Christine Sharp, she visited Talbot House Support Centre, one of the charities that we in Manchester support.

Future events. Friday 3 October: Autumn Council and AGM 10.00am - 2.00pm at St John's House. Would anyone like to come with me? It's always a good learning day and time to meet up with

other members and share news. Bring your own lunch. Tea and coffee provided.

2026 sees Mothers' Union celebrating 150 years. Plans are being made on a local, national and worldwide level.

The trustees will be sharing challenges passed down from MSH. Lots of ideas were noted at Spring Council but now it's time to finalise the events. Please share your ideas, or any plans you are making so we can compile a list of everything happening across the diocese to inspire and support.

We, in Manchester would love to form a small working group to help coordinate the 150yrs celebrations. If you know someone who may be willing to join this group for a short-term project, please ask them to contact us, at the office. This is open to every member.

FOR YOUR DIARY

From the Archives – September 2000

The sketch on the inside cover of the September 2000 Parish Magazine featured a wonderful harvest scene, complete with pumpkins, pickles, and various assorted vegetables, although then, as now, harvest was not actually celebrated until the following month.

The Parish News in September 2000 included a reminder that the annual subscription for the Parish Magazine would be due the following month and recorded a note of thanks to all contributors & distributors for their continued support. Also a reminder that Confirmation classes would be starting early in October; a thankyou

for cards of condolence received and a further thank you for support and care during illness.

In other news, members of the Church Women's Fellowship had been enjoying a trip down memory lane as their recent speakers had shared memories of 'The Grand Theatre' in Bolton, and of growing up locally. Meanwhile, Mothers' Union members had enjoyed their summer outing and were making plans for a jumble sale to be held in the Church Hall.

In September 2000, the 'Face To Face' interview was with Mark Alexander Fawcett (a Server) age 14yrs. In September 2000 there were 4 Weddings and 3 Funerals recorded from the previous month, but no Baptisms. Communicants for the previous month was listed as 304; collections were listed as £1755.

Just A Thought

Obstacles are what you see when you take your eye off the goal.

The Season Of Creation

This is the period in the annual church calendar, from 1st September to 4th October, dedicated to God as Creator and Sustainer of all life.

Many churches choose to use this time of year to hold special services and events to give thanks for God's gift of creation, and to renew their commitment to caring for our planet.

The theme for the Season of Creation 2025 is 'Peace With Creation'; the Biblical text for this year is Isaiah 32:14-18. The prophet Isaiah pictured the desolated Creation without peace because of the lack of justice and the broken relationship between God and humankind. This description of devastated cities and wastelands eloquently stresses the fact that human destructive behaviours have a negative impact on the Earth.

Our hope: Creation will find peace when justice is restored. There is still hope and the expectation for a peaceful Earth. To hope in a biblical context does not mean to stand still and quiet, but to act, pray, change, and reconcile with Creation and the Creator.

A Hymn For The Season Of Creation

Creating God, your fingers trace
The bold designs of farthest space;
Let sun and moon and stars and light
And what lies hidden, praise Your might.

Sustaining God, your hands uphold
Earth's mysteries known or yet untold;
Let water's fragile blend with air,
Enabling life, proclaim your care.

Redeeming God, your arms embrace
All now despised for creed or race;
Let peace, descending like a dove,
Make known on earth your healing love.

Indwelling God, your gospel claims
One family with a billion names;
Let every life be touched by grace
Until we praise you face to face.

(Jeffrey W. Rowthorn 1974)

Space To Share A Prayer

Loving Lord, help us to be people who recognise, nurture and act towards a more sustainable world for the benefit of all who draw life from this planet. Raise up campaigners who will speak out for wisdom, restraint and compassion, and teach us to work with you in protecting this precious world and the lives of our most vulnerable global neighbours. Amen

Things To Look Out For In September – Nuthatch

With its blue/grey back and orange/buff underside, this bird is sometimes confused with a Kingfisher, however, unlike the Kingfisher, Nuthatches tend to be seen in woodland or gardens where there is no body of water.

The Nuthatch feeds in the tops of trees, so can be quite tricky to see, but its series of loud whistles will usually give away its identity.

A tit-sized bird, the nuthatch has a short tail, large head and a woodpecker-like bill. Nuthatches feed on insects, seeds and nuts, such as hazelnuts and beechmast. They nest in holes in trees or abandoned nests, but are happy to use nestboxes, too. They start breeding in April and can produce two clutches of up to 13 eggs each. The Nuthatch is the only bird in the UK that can climb down trunks headfirst, holding on with their powerful toes. For more info on Nuthatches or other seasonal birds visit [Nuthatch \(Sitta europaea\) - British Birds - Woodland Trust](#)

Autumn Berries

Head to the hedgerows in September, as they erupt into a pick-n-mix paradise of bountiful berries. This abundance of fruits is a lifeline for many of our birds as their summer food supplies, such as caterpillars and insects, run low. Look out for Blackbirds, thrushes, Whitethroats and Blackcaps all stocking up.

Blackberry, Elderberry, Hawthorn haws, rosehips and Blackthorn sloes are all coming into season now, creating a colourful backdrop to the fading leaves. But it's not just birds which are making the most of the berry bonanza. Hazel Dormice are also busy eating as much as they can to build up fat reserves before they hibernate. Pine Martens too make the most of the bounty, with a particular penchant for Rowan berries, Blackberries and Bilberries. In fact, many of our mammals, such as Hedgehogs, squirrels and Foxes all eat berries when available.

Straplines

A rumour may not have a leg to stand on, but it will get around in spite of this.

A wise person is one who thinks twice before saying nothing.

All of us could take a lesson from the weather; it pays no attention to criticism.

Always be yourself, because the people that matter don't mind and those who mind, don't matter.

Poems From The Parish (And Beyond ...)

Forgotten Graveyard

In this place of timeless beauty,
Silence lingers in the air,
Softly lapping round the fallen stones
Of walls, no longer there.

In this wilderness of sprawling trees,
The Ivy runs amok,
Reaching out long, tendrilled fingers,
Grasping earth and stone and rock.

Cloaking long forgotten Lych Gate,
Tendrils curling overhead,
Reaching out to touch the gravestones
Of the long-forgotten dead.

Entwining fallen statues,
Claiming footpaths for her own,
Snaking silently to conquer ancient steps
Worn in the stone.

Here amidst the scattered ruins,
Nature's banner flies unfurled,
In this place of timeless beauty,
Long forgotten by the world.

Time For A Smile

A Clergy couple had been invited to a wedding, and needed a gift to take. Aha, thought the Vicar's wife, I'll give that silver tray that we received at our wedding – we have never, ever used it; I'll just take it to a silversmith and have him change the engraving to put the date of their wedding on it instead - Voila!

Later in the week she took the tray to the silversmith and asked him to change the date and put the new one on. The silversmith examined the tray, shook his head and said, "I'm sorry madame, this can only be done so many times ..."

Jesus Calms The Storm

Stories Of Jesus

The Bible is a collection of stories that help us to learn about God and God's dealings with people, right from the beginning of the world. The first part of the Bible is called the Old Testament; this part of the Bible was written before Jesus was born.

The second part of the Bible is called the New Testament; this part of the Bible tells us all about the life and death of Jesus, about the things that He did, and about the people that knew Him.

Jesus Calms The Storm

You'll find this story in Luke chapter 8, verses 22-25.

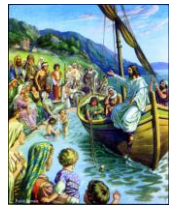

Jesus and his disciples travelled through many villages and towns, talking to the people about God's Kingdom and teaching them to

love God and follow His commandments. The people loved to hear Jesus speak; sometimes huge crowds would gather to hear Him.

Jesus often spoke to the people on the shore of the Sea of Galilee; the people knew He would be there, and they would gather in big groups to hear Him.

One day, Jesus was preaching by the Sea of Galilee, and many people had come to hear Him. They crowded around Him, pushing each other and trying to get as close to Jesus as they could. The crowd was so big that Jesus got into a fishing boat and preached to the people who were standing on the shore - that way everyone could see Him and hear Him without having to push and jostle each other.

At the end of the day, Jesus and His disciples said goodbye to the people and then set off to cross the Sea of Galilee in the fishing boat. Many of Jesus's disciples had been or still were fishermen, so they had plenty of experienced Sailors on board. Jesus was very tired after a day of teaching; He found a cushion, lay down

in the boat and soon fell asleep.

The disciples were all happy; they had spent the day helping Jesus teach the crowds, and now they were heading for home. They were happy that the water was nice and calm and peaceful, so they could relax and chat quietly.

But soon, things began to change. The wind began to blow, and the sea became a little rough. To start with the disciples weren't too concerned, but the wind began to blow harder, and the waves

pushed the boat around. Before long, they were in a huge storm; the wind howled, the rain poured down, the lightening flashed, and the waves became so big that they were filling the boat with

water. The storm became so violent that the disciples began to think that the boat would sink. They thought they might all drown.

During all of this excitement, there was only one person on the boat who was not worried. Jesus! He was not worried because He was fast asleep. The disciples woke Jesus up and told Him that they were going to drown. "Master!" they cried out, "Save us!"

Jesus woke up and saw the storm, but He was not afraid at all. He looked at the waves and the water, then He held up His hand and said, "Peace, be still!" And guess what? The storm stopped. The water became calm, and the wind stopped blowing. Jesus looked at the disciples and said, "Why are you so afraid? Where is your faith?" The disciples were

amazed. They knew that Jesus was very special. Jesus was the only one who could make even a storm obey him.
