

Word from RevLaura

The readings for 14th September are 1 Timothy 1:12-17 and Luke 15: 1-10 . What is God saying to you through these scriptures this week.

It has been a lovely summer, and we now start to head towards autumn. The harvest services will soon be here; harvest is a great time to think about how God has created everything. What a beautiful world we live in, what a gift God has given to us. It is important to remember that we are called to be stewards of the world God created, what a privilege – we are to look after this gift. It is important to make sure we think about how we treat our planet, in a time when eco issues are talked about constantly, we must not only talk about it but also put this into action – what could you do this year to make a difference. Amen.
