Pop Up Stop?

This Sunday at St Michael's we will again have our Pop-Up Shop. For £2, anyone who wants to can come and fill a bag with food and toiletries. People are also invited to join us for the service beforehand, or to gather for coffee and a chat with members of the congregation before going and collecting their shopping. We had a PCC away day this week and we looked back at where we were as a church, and forward to where God is leading us. One of the areas that was contentious was the Pop-Up Shop. There was celebration that this was still able to continue, with memories of distancing and masks during the covid times. There was also a mention that this is not ideal – there shouldn't be a need for such a provision in 2025, and we prayed that all might have enough so that the shop is no longer needed.

When we gather on Sunday, as a team we will start with prayer. We also read Jesus' challenging words from Matthew 5:3-10. The church of England website says that the Beatitudes offer a vision of what it means to follow Jesus Christ. In a few short sentences the Beatitudes are perhaps the most important, subversive and revolutionary text in the Bible. The topsy turvy life of God's kingdom is shown as Jesus announces blessings for those who are not the ones we would expect. So, I urge you to read through the beatitudes and to pray that those mentioned would indeed receive God's blessing. And do join me in praying for an end to the need for the Pop up Shop.

Toby

Looking forward to hearing from you!

Many thanks to all who contribute to the newsletter, we always have space for any updates, articles, pictures etc that you think would be of interest to our readers. I am happy to receive emails to newsletter@martleshamcofe.org.uk where I can easily extract text, Word documents, Jpeg images. I do have a little difficulty with PDF files as I need to spend time adapting them. So please keep offerings coming in, deadline for each week is 6.00pm on Wednesday. **ED**

Opportunities for Prayer

Weekly Morning Prayer.

Every Monday, we will meet for Morning Prayer at St Marys. Starting at 8.30am, we will meet and pray together using the Common Worship Daily Prayer books, if you have the app for your phone you can use that. Morning Prayer is different to a 'normal' prayer meeting as there is a set pattern of liturgy and readings, if you've never seen it before, click this link and you'll get the idea. <https://daily.commonworship.com/>

Please do ask if you have any questions about how it all works, we'd be more than happy to talk it all through.

Toby & Rob

Reflecting with God, monthly group, 7pm on Zoom.

Reflecting with God meets online on the third Sunday evening of each month, when we gather together with God for some quiet time and reflection.

We don't have a set format, but a typical meeting starts with an introduction then a short time of silence to bring ourselves into God's presence.

The materials for reflection are then introduced, and we spend a longer time in quiet to reflect on these individually. After this we start the meeting again and there is an opportunity to share anything we'd like of what we've heard God saying to us, then we close with prayer. All are welcome, to join email info@martleshamcoe.org.uk for the Zoom link or contact Toby.

Carolyn Smith

Read the whole Bible in Chronological order – In one year!

We are now right at the end of the Old Testament! Some will say it's been challenging reading; others will say they have learned something new and for others it was their first time reading it through. Whatever you may have thought, well done!

On the 1st of October we get into the New Testament, so if you've not been on the journey with us so far, this is a great time to get involved. Join us as we read about the life, death and the resurrection of Jesus. Then how the early Jesus followers worked through Jesus's teachings and what the early Church should look like. If you'd like to get the weekly readings, a few thoughts and videos to help us understand it all, email me and I'll get you added.

Martlesham Benefice – Prayer Chain.

If you've never heard of a prayer chain before, it's a group of people within the Church who take on a pastoral responsibility to pray for people that have an unexpected / urgent need or emergency. The way that it will work, should there be a situation where you would like the Church to be praying, either for you or a situation, you can contact either myself or Toby. We will then pass on the request to the rest of the prayer chain who will, at their earliest opportunity, offer prayers to God. All prayer requests to the Prayer Chain will be treated as confidential unless you say otherwise.

If you would like the Prayer Chain to pray for you, email Toby or myself, or in 'life or death situations' you can also call us so that we can respond quickly.

Please also pray, and give thanks for, the Prayer Chain as it can be quite a daunting responsibility to pray into emergency situations.

Opportunities to Pray Together

We are now offering several opportunities for us to pray together as a Benefice. 8.30am every *Monday morning* at St Marys we have morning prayer. We use the 'Common Worship' red book and have two or three Bible readings, and a time of prayer. It's a great way to start the week off by intentionally coming to worship God with others from the Benefice.

We also meet for our prayer meetings on the 1st Tuesday of the Month : 7.00pm @ St Michael's Chapel and 2nd Wednesday of the Month : 12.45pm @ The Runway Café. Then we also have evening prayer on the 3rd Thursday of the Month : 7.00pm – St Marys, again using the Common Worship books.

Rob.

Practical support for those in immediate need.

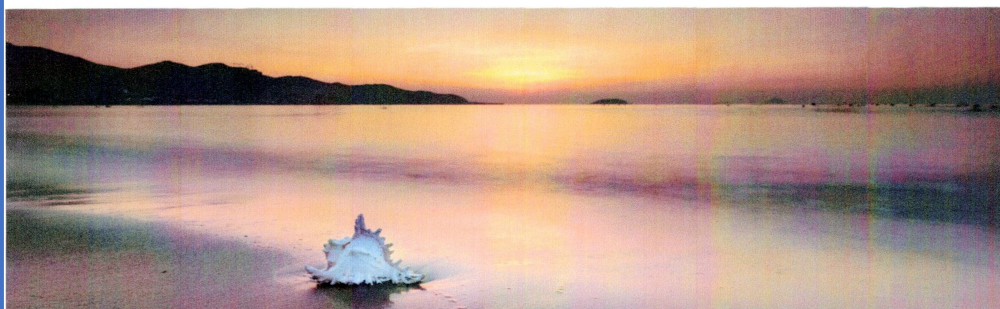

Jesus tells us in John 10:10 that he has come that people may have life and have it abundantly. As a church living with God and carrying out his mission to the world, we want to see people able to live life abundantly with God. We live this out through the pastoral team and the elders (and others) supporting people through visits and prayer. Practical help is offered through the Pop Up Shop and the Coffee off the Wall scheme in the Runway.

The PCC have decided to extend this further as sometimes financial support is needed for things other than food or toiletries. So, we are launching a crisis fund which will be able to give grants of up to £50 to those in need who are living in our benefice. Full details of the policy can be found [here](#).

If you would like to support this fund by donating to it, please see our treasurer Chris Howard for details.

And if you, or someone you know, are in need please speak to Toby about funding.

Words like Still Water: How to write a psalm Saturday 18 October 2025 9:30 to 4:00

Quiet Waters Christian Retreat House,
Flixton Road, Bungay. NR35 1PD

Join us for the day as Christine Rigden helps us learn how to write a psalm to express our thoughts to God.

Biblical poetry, found in Psalms and other books, differs from typical poems as it rarely rhymes and has subtle rhythm. The flexible rules help you articulate your emotions. Writing a personal psalm is about voicing your own joy and pain, not about public performance.

Christine is a poet, eco-coach, painter and narrowboater.

£60 as a day guest includes refreshments and a two-course home cooked meal at lunchtime

As part of our commitment to “**safeguarding**”, churches are asked to look at how we can build a healthy culture within our communities. On Saturday November 1st, we have a day exploring how we can best do this, organised by the Association of Christians in Counselling together with Inspire Counselling and Training Ipswich. Contributors will include Lisa Oakley, who is one of the leading voices on spiritual abuse and safeguarding in this country.

Everyone is welcome and it is a free event. The day will be particularly helpful for anyone involved in churches, charities or community groups, and for those involved in pastoral care and leadership.

We are hoping to welcome people from across Suffolk and beyond, so if anyone is able to help with refreshments on the day, or could contribute cake, please have a word with **Christine**.

Martlesham and Brightwell – Parish Giving Scheme

Brightwell PCC has recently joined the Parish Giving Scheme.

Martlesham has been a member for a number of years.

Instead of giving in cash at one of our churches or setting up a standing order with your bank you can set up a regular payment by direct debit, via the Parish Giving Scheme. This is normally collected at the beginning of each month. Each year PGS will contact you to see if you are happy for your gift to be increased in line with inflation – and you have the choice to review your giving and change it, if you want to. If you are a taxpayer, then the gift aid can be claimed and PGS do this directly from the government.

The advantage for each PCC is the giving and the tax is received regularly each month and without having to complete a Gift Aid tax claim. The same money given but a lot less work for the treasurer. If you would like to join the scheme you can setup a payment by either:

1. Telephoning PGS on 03330 021271
2. Scanning one of the QR codes below for either Martlesham or Brightwell
3. Filling in an application form available in each church and sending it to:

The Runway Event

Tuesday 23rd September until, and including Friday 26th September

The Runway will be joining in with the Macmillan Coffee morning again this year, but with a slight difference. Instead of a day, we will be joining in over four days. From Tuesday 23rd September until and including Friday 25th September the Runway will be donating all of the money paid for Cakes/Teacakes and Scones purchased during that period to Macmillan Cancer Support. Please do come along, enjoy some wonderful homemade cakes and support a very worthwhile cause. There will also be a donation pot available if you would like to make a further donation, more than the cost of your cake. We look forward to welcoming you.

Prayers for the Week

Picking from the news articles areas for prayer, over the last few weeks, is difficult as so many areas both in the UK and abroad grab our attention for prayer.

Where right and wrong is so dependant on personal views, and the knock-on effect of what seem isolated actions, can last a lifetime, we pray that all consider the long-term effects of their actions.

In our thoughts and prayers, we pray:

- For our local and national community
- For our Church and it's leaders
- For those closest to us
- Pray for the King & The Royal Family
- For all politicians and public decision makers
- For all those seriously affected by the current financial situation
- For the sick, and those needing our help.
- For the swift outcomes of recent Public Enquiries
- For all Conflicts abroad
- For those affected by Climate Change & Natural Disasters

Prayers for the UK

- We pray for all the recently deceased: some who pass away peacefully after leading long and fulfilling lives, others who are taken too early. We especially pray for the family and friends left to mourn and remember.
- We pray for King Charles & Queen Camilla, and their continued support for the sick.
- We pray for Prince William, Kate and the children as she continues to require support after her recent treatment.
- We pray for the considered and early appointment of a new Archbishop of Canterbury.
- We pray that the recent governments spending plans may in fact bring better security, better health and prosperity to all those in the UK.

- We pray that the difficult financial decisions the Government are proposing to Social Benefits Support and their subject review and delays, are made with care and compassion to both the citizens and mindful of the supporting taxpayers.
- We pray that, for the sake of political dogma and unrealistic election promises, the very poorest in our community will not be forgotten.
- We pray for all immigrants, whether legal or illegal, that they will be treated with humanity and that while the politicians work out how to balance and resolve some very difficult issues, others may not exacerbate the situation for political gains.
- We pray for all the victims of crimes especially where it involves so much violence and creating so much sorrow.
- We pray for all the families and friends of all victims, and the perpetrators may understand the suffering they bring on others but also find forgiveness for what they have done.
- We pray that mental health can be improved, to safeguard the general public and those who are suffering from mental health conditions.
- We pray that our politicians can further reflect on the difficulties exposed in the debate on end-of-life care and the possible choice of self-administered end of life.
- We pray and give thanks and praise to all those organisations and individuals in our local area and community.
- We pray for all people who are on benefits, often navigating complex applications when many are at a very low ebb, also all those who work in customer facing offices having to explain why some applications are not within the rules.
- We give thanks for all the time and energy provided by so many volunteers, who give up their time to help and support others, whether it is one act of kindness or a whole year of giving.
- We give thanks for all our local Benefice community activities. Toby in his role as Assistant Rural Dean, and Rob

with helping Toby in developing our Benefice ministry. We pray and give thanks to our own PCC, and the work and effort they give to our community.

- We give thanks to Jo and all her helpers who support the Runway and all the people who enjoy its hospitality especially on the 10th anniversary of The Runway. We give thanks for the work of Emma and the Toddler Group. We give thanks to all the groups noted in this issue of the Newsletter and all others that are not mentioned this week.
- We pray for and give thanks to all who manage St Michael's. It is regularly commented upon as being a wonderful facility, which is shared with so many local groups for their own community activities.
- We pray for the government, who are having to navigate us through "The New World Order" recognising that the recent reduction in foreign aid can be reinstated as soon as possible. We also pray that any cuts requiring to be made to finance defence and now the economic crisis generated by the USA, can be carefully thought through and reinstated at the earliest opportunity.
- We pray for all our elected representatives, our MP, County and District councillors and our parish councillors, for the time and effort they put in.

Prayers for the rest of the world

- We pray for all the countries and their people who are currently being threatened by the USA, physically and economically like Canada, Mexico, Greenland and many other smaller nations.
- We pray that our government and others around the world will manage President Trump with care but firmness, particularly if he tries to impose his will on others through economic or physical force, and that Making America Great Again does not have to be supported with physical and/or economic violence.
- We pray that the new alliances involving China, Russia, North Korea, India and many others with their political, financial and military strength will be exercised for the benefit of the whole world.

- We pray for all people in counties or areas involved in armed conflicts living in especially Ukraine, Gaza, Iran, Isreal and many in the central African States and in the middle East.
- We pray for all immigrants throughout the world, that they are protected from political violence.
- We pray and give thanks to all those in the world who are genuinely trying to improve people's lives.
- We pray for all the "little people" in the world with no voice, who should not be further estranged in the interest of nations or individuals' personal wealth or influence.
- We pray that all those in the world, who give pleasure to so many, including musicians/composers, actors/authors, artists, sportsmen and women, and bring joy to many, but also to themselves for creating joy for others.

Pray for some positive events and news this week

- **Sport** – Our local football teams who help support The Runway in the season and all the small clubs and who give so much pleasure to so many.
- **Music & The Arts** – To all the local groups who provide and encourage so many people to take part and enjoy these activities. Especial the major local and national festivals, including Latitude, The Proms and so many others.

Gippeswyk Singers

Gippeswyk Singers rehearse and perform at St Michael's Church. We are a friendly chamber choir and we enjoy singing a variety of genres of music under the direction of Janette Ruocco and accompanied by Sabine Sutton. This term we will be rehearsing pieces by Vivaldi for our Christmas concert. The concert is on Saturday 6th December at 4pm. Rehearsals commence on 15th September at 7.30pm.

Tickets for our concerts are available from

Notes: Groups meet to study the bible together, discuss & share with each other, to worship and pray, for fellowship and to show love & faith through action to others who do not yet know Jesus Christ. Group members decide what they would like to study. This might be to read and learn about a particular book in the bible, or to look at a topic from a biblical perspective. Sometimes there are church wide teaching themes, for example, looking at how to be a more fruitful congregation. Groups are places where questions can be asked and difficulties shared in an atmosphere of trust and confidentiality, a place where individuals can be cared for and encouraged in their relationship with God.
