Harvest Sunday – 5th October

St James' Church Children's ministry group are linking with the Wrap Up charity to run a coat collection as part of the Harvest program.

We will be accepting donations of coats that you may have grown out of, or simply no longer wear, but could still be of use to the homeless and vulnerable. Collection boxes will be available in St James Church for 7 weeks from Sunday 14 September until Sunday 26 October. This initiative has been prompted by the children attending our children's group during Sunday

services. Please encourage them by donating as generously as you can.

Donations welcome from both churches of course!

St Thomas' Eco-Church group are planning a special service for Harvest Sunday at St Thomas'. This is an exciting development: details to follow.

St Thomas Refectory

We usually open the first and third Thursdays of each month. We have a very loyal team of helpers and bakers but would welcome more if anyone can assist. We need people to prepare and serve food and drinks, take orders and also bakers. If you might be able to help please speak to Wendy or one of the refectory team or come along one Thursday and see what we do.

Eco Church working towards the Gold Award

The Eco church team would like to know if their efforts to encourage our congregation to care for God's Earth is being taken on board. Be it by avoiding single use plastic, lowering energy consumption, recycling, caring for nature or any of the other many ways that we as individuals can play our part. Please fill in the sheet at the back of church with some of the changes that you have made already or speak to one of the Eco church team. *You have only one week left to complete the form!*

Your responses will help us move the church towards our Gold award.

Toilet Twinning

We have one final toilet to twin. Once complete it will gain us a point in our quest to achieve the Eco Church gold award. Much more than that, it will give a struggling overseas community much needed sanitary provision, enabling dignity and preventing disease. Each toilet is £60 in total. Please consider donating in the box on the wall by the toilets in the hall.

Second Hand September

Its that time of year when our focus is on reminding people to cut consumerism, which is responsible for increased carbon output via manufacturing processes. We are encouraged to buy second hand goods be it clothing, tools, furnishings, books etc. Many websites now sell second hand items at a much reduced cost and of course, most shopping centres have a plethora of charity shops, were buying preloved items not only helps the environment, but also benefits the charity. - A Double Whammy !!

Inclusive Church

Large print hymns books and Order of Service booklets are available. St Thomas also has some magnifying glasses with back lights, two sets of ear defenders and a small selection of sensory toys. If you know anyone who would like to bring children or adults with SEND please let them know they are very welcome.

Food Support

The demand for food assistance remains high and we are beginning to run low on stock. Donations of the following would be gratefully received: pasta and sauce, tins of meat, tins of cold meat, microwavable rice, long life milk, tins of fruit, tins of vegetables and potatoes, noodles. Thank you to those who already give so generously.
