Shining a light through the week.

I want to start this with a confession. We have just finished a sermon series looking at the church and our Christian life. We have heard about what is the church, and why church, and what is worship. And as Christine preached the final sermon on 'what is church during the week' I wasn't in church. I was on a short break with the family and, instead of going to church in a different location, I chose to have a family day. But I did miss being in church.

I missed the planning of services. Sitting with the text that will be preached on during the week and listening to what God is saying to me and for me to share. I missed being with the church family, gathered together and praising God in community. I missed the chats afterwards as we share coffee and our lives together. I also missed the singing. When you are out with your sons in public, singing aloud isn't always the best thing to do. Happily, there was the online service to go back to. I was able to watch and join in remotely. I heard Christine speaking on Jesus' words about being the light during the week. And it reassured me that my witness continues when I am not in church. I don't have to be dressed as a vicar and leading a service to speak out for God, or to speak to God. I can take my light out into the darkness of the world.

So yes, do keep coming to services and joining in together. It's great to spend time with God in community. And if that isn't possible, do make use of the recorded online services – either at the same time, or later. And as you go through your week, shine the light of Christ into the darkness. Church isn't just a building, it's a community of people following Jesus. ¹⁴ "You are the light of the world. A town built on a hill cannot be hidden. ¹⁵ Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. Matthew 5:14-15

Weekly Morning Prayer.

Every Monday, we will meet for Morning Prayer at St Marys. Starting at 8.30am, we will meet and pray together using the Common Worship Daily Prayer books, if you have the app for your phone you can use that. Morning Prayer is different to a 'normal' prayer meeting as there is a set pattern of liturgy and readings, if you've never seen it before, click this link and you'll get the idea.

<https://daily.commonworship.com/>

Please do ask if you have any questions about how it all works, we'd be more than happy to talk it all through.

Martlesham Benefice – Prayer Chain.

If you've never heard of a prayer chain before, it's a group of people within the Church who take on a pastoral responsibility to pray for people that have an unexpected / urgent need or emergency. The way that it will work, should there be a situation where you would like the Church to be praying, either for you or a situation, you can contact either myself or Toby. We will then pass on the request to the rest of the prayer chain who will, at their earliest opportunity, offer prayers to God. All prayer requests to the Prayer Chain will be treated as confidential unless you say otherwise.

If you would like the Prayer Chain to pray for you, email Toby or myself, or in 'life or death situations' you can also call us so that we can respond quickly.

Please also pray, and give thanks for, the Prayer Chain as it can be quite a daunting responsibility to pray into emergency situations.

Reflecting with God, monthly group, 7pm on Zoom.

Reflecting with God meets online on the third Sunday evening of each month, when we gather together with God for some quiet time and reflection.

We don't have a set format, but a typical meeting starts with an introduction then a short time of silence to bring ourselves into God's presence.

The materials for reflection are then introduced, and we spend a longer time in quiet to reflect on these individually. After this we start the meeting again and there is an opportunity to share anything we'd like of what we've heard God saying to us, then we close with prayer. All are welcome, to join email info@martleshamcoe.org.uk for the Zoom link or contact Toby.

Opportunities to Pray Together

We are now offering several opportunities for us to pray together as a Benefice. 8.30am every *Monday morning* at St Marys we have morning prayer. We use the 'Common Worship' red book and have two or three Bible readings, and a time of prayer. It's a great way to start the week off by intentionally coming to worship God with others from the Benefice.

We also meet for our prayer meetings on the 1st Tuesday of the Month : 7.00pm @ St Michael's Chapel and 2nd Wednesday of the Month : 12.45pm @ The Runway Café. Then we also have evening prayer on the 3rd Thursday of the Month : 7.00pm – St Marys, again using the Common Worship books.

REMEMBERING THOSE WE HAVE LOVED AND LOST

All Saints Sunday

2nd November 2025

11am St Mary's Church

As part of our service, we will bring to God those we have loved and lost. A chance to light a candle of remembrance and to thank God for those who have died.

If you wish for names to be read out, please let the church wardens know when you arrive.

Would you like to include some-one you would like us to pray for and think about over this remembrance weekend? I'll include any names or groups you bring forward in this page, for the next two editions of the Newsletter.

Edna Boother, Hubert Boother, Eric Holton, Sheila Long, Edna Shepherd, Esther Shepherd, Sydney Shepherd, Leslie Shepherd, Benjamin Ranson, Graham Ranson,

On Saturday 1st November, we have our next Wild Church session at St. Mary's. We had lots of families join us for our August event and already have families booked in to attend this one. Unfortunately, two of our regular helpers cannot attend, so it would be wonderful if one or two members of the congregation would be able to step in (particularly if you play the guitar!) You would need to be available on 1st November from 9.15am until 12 noon. Please let me know if you are available to help.

Many thanks

St. Mary's will be held on **Saturday 29th November** between 9.30 am and 12.30 pm. In both cases, please bring gardening tools if you have them. If not, some will be provided.

We will also spend a morning preparing the War Memorial at St. Mary's, for Remembrance Sunday. If you are free your help would be most appreciated on **Monday 3rd November** between 10.00 am and 12.00 noon.

Clean and Keep St Mary's

'We are so blessed in this benefice to have the opportunity to worship in the beautiful setting of St Mary's. Currently we have four pairs of volunteers who form a rota to clean and keep St Mary's looking lovely in preparation for the twice monthly services held there but there is always room for more! Do you feel this is something you could help with? For more details, please contact me. Alternatively come along to the Runway coffee shop on Tuesday 21st October to chat over a coffee about what is involved. Thank you in anticipation. Many thanks.

Martlesham and Brightwell – Parish Giving Scheme

Brightwell PCC has recently joined the Parish Giving Scheme. Martlesham has been a member for a number of years. Instead of giving in cash at one of our churches or setting up a standing order with your bank you can set up a regular payment by direct debit, via the Parish Giving Scheme. This is normally collected at the beginning of each month. Each year PGS will contact you to see if you are happy for your gift to be increased in line with inflation – and you have the choice to review your giving and change it, if you want to. If you are a taxpayer, then the gift aid can be claimed and PGS do this directly from the government.

The advantage for each PCC is the giving and the tax is received regularly each month and without having to complete a Gift Aid tax claim. The same money given but a lot less work for the treasurer. If you would like to join the scheme you can setup a payment by either:

1. Telephoning PGS on 03330 021271
2. Scanning one of the QR codes below for either Martlesham or Brightwell
3. Filling in an application form available in each church and sending it to:

Parish Giving Scheme, 76 Kingsholm Road, Gloucester GL1 3BD

4. Give online www.parishgiving.org.uk

Practical support for those in immediate need.

Jesus tells us in John 10:10 that he has come that people may have life and have it abundantly. As a church living with God and carrying out his mission to the world, we want to see people able to live life abundantly with God. We live this out through the pastoral team and the elders (and others) supporting people through visits and prayer. Practical help is offered through the Pop Up Shop and the Coffee off the Wall scheme in the Runway.

The PCC have decided to extend this further as sometimes financial support is needed for things other than food or toiletries. So, we are launching a crisis fund which will be able to give grants of up to £50 to those in need who are living in our benefice. Full details of the policy can be found [here](#).

If you would like to support this fund by donating to it, please see our treasurer Chris Howard for details.

And if you, or someone you know, are in need please speak to Toby about funding.

Operation Christmas Child

It's that time of year again when we start to think about Christmas, and for those less fortunate than ourselves.

We are collecting gifts and shoeboxes for Operation Christmas child again, and leaflets are available in the church and in the Runway with details of how to contribute.

If you would like to make a shoebox these can be brought to the Runway any time before Sunday November 16th.

Please remember we can't accept toothpaste, liquids or any food items. There is a full list of ideas for gifts to include in the leaflets.

If you would prefer to donate items to be included in a church made shoebox then that is also very helpful. Please leave donations in the crate in the Runway, and we will add them to shoeboxes that we make up ourselves.

It is also possible to donate money towards the cost of sending off the shoeboxes. At the moment we don't know where our shoeboxes will end up, but it will be somewhere in the world where children have very little and will not receive other gifts. It's great way of sharing God's love and making children very happy at Christmas time.

If you have any questions, please ask either **Marga or Christine**

As part of our commitment to “**safeguarding**”, churches are asked to look at how we can build a healthy culture within our communities. On Saturday November 1st, we have a day exploring how we can best do this, organised by the Association of Christians in Counselling together with Inspire Counselling and Training Ipswich. Contributors will include Lisa Oakley, who is one of the leading voices on spiritual abuse and safeguarding in this country.

Everyone is welcome and it is a free event. The day will be particularly helpful for anyone involved in churches, charities or community groups, and for those involved in pastoral care and leadership.

We are hoping to welcome people from across Suffolk and beyond, so if anyone is able to help with refreshments on the day, or could contribute cake, please have a word with **Christine**.

Prayers for the Week

We Pray for all those effected by Hurricane Melissa.

We pray that the enquiry into Child Sexual abuse will soon be able to confirm its chair and start their work.

We pray and give thanks to the first steps towards peace in the Gaza war. Hopefully with USA driving this forward this is the very first but positive steps to long term peace.

We pray, that for whatever reason, that both Jews and Muslims in the UK will not be harassed or victimised for what is being undertaken by all sides in the region.

We pray that President Trump will not lose focus on the Middle East, but also that he can constructively work for a fair and lasting peace in Ukraine.

In our thoughts and prayers, we pray:

- For our local and national community
- For our Church and it's leaders
- For those close to us
- Pray for the King & The Royal Family
- For all politicians and public decision makers
- For all those seriously affected by the current financial situation
- For the sick, and those needing our help.
- For the swift outcomes of recent Public Enquiries
- For those affected by Climate Change & Natural Disasters

Prayers for the UK

- We pray for all the recently deceased: some who pass away peacefully after leading long and fulfilling lives, others who are taken too early. We especially pray for the family and friends left to mourn and remember.
- We pray for King Charles & Queen Camilla, and their continued support for the sick.
- We pray for Prince William, Kate and the children as she continues to require support after her recent treatment.
- We pray that the recent governments spending plans may in fact bring better security, better health and prosperity to all those in the UK.

- We pray that the difficult financial decisions the Government are proposing to Social Benefits Support and their subject review and delays, are made with care and compassion to both the citizens and mindful of the supporting taxpayers.
- We pray that, for the sake of political dogma and unrealistic election promises, the very poorest in our community will not be forgotten.
- We pray for all immigrants, whether legal or illegal, that they will be treated with humanity and that while the politicians work out how to balance and resolve some very difficult issues, others may not exacerbate the situation for political gains.
- We pray for all the victims of crimes especially where it involves so much violence and creating so much sorrow. We pray for all the families and friends of all victims, and the perpetrators may understand the suffering they bring on others but also find forgiveness for what they have done.
- We pray that mental health can be improved, to safeguard the general public and those who are suffering from mental health conditions.
- We pray that our politicians can further reflect on the difficulties exposed in the debate on end-of-life care and the possible choice of self-administered end of life.
- We pray and give thanks and praise to all those organisations and individuals in our local area and community.
- We pray for all people who are on benefits, often navigating complex applications when many are at a very low ebb, also all those who work in customer facing offices having to explain why some applications are not within the rules.
- We give thanks for all the time and energy provided by so many volunteers, who give up their time to help and support others, whether it is one act of kindness or a whole year of giving.
- We for Dame Sarah Mullally as she prepares to be inaugurated as the next Archbishop of Canterbury.
- We give thanks for all our local Benefice community activities. Toby in his role as Assistant Rural Dean, and Rob with helping

Toby in developing our Benefice ministry. We pray and give thanks to our own PCC, and the work and effort they give to our community.

- We give thanks to Jo and all her helpers who support the Runway and all the people who enjoy its hospitality especially on the 10th anniversary of The Runway. We give thanks for the work of Emma and the Toddler Group. We give thanks to all the groups noted in this issue of the Newsletter and all others that are not mentioned this week.
- We pray for and give thanks to all who manage St Michael's. It is regularly commented upon as being a wonderful facility, which is shared with so many local groups for their own community activities.
- We pray for the government, who are having to navigate us through "The New World Order" recognising that the recent reduction in foreign aid can be reinstated as soon as possible. We also pray that any cuts requiring to be made to finance defence and now the economic crisis generated by the USA, can be carefully thought through and reinstated at the earliest opportunity.
- We pray for all our elected representatives, our MP, County and District councillors and our parish councillors, for the time and effort they put in.

Prayers for the rest of the world

- We pray that our government and others around the world will manage President Trump with care but firmness, particularly if he tries to impose his will on others through economic or physical force, and that Making America Great Again does not have to be supported with physical and/or economic violence.
- We pray that the new alliances involving China, Russia, North Korea, India and many others with their political, financial and military strength will be exercised for the benefit of the whole world.
- We pray for all people in counties or areas involved in armed conflicts living in especially Ukraine, Gaza, Iran, Isreal and many in the central African States and in the middle East.
- We pray for all immigrants throughout the world, that they are protected from political violence.

- We pray and give thanks to all those in the world who are genuinely trying to improve people's lives.
- We pray for all the "little people" in the world with no voice, who should not be further estranged in the interest of nations or individuals' personal wealth or influence.
- We pray that all those in the world, who give pleasure to so many, including musicians/composers, actors/authors, artists, sportsmen and women, and bring joy to many, but also to themselves for creating joy for others.

Pray for some positive events and news this week

- **Sport** – Our local football teams who help support The Runway in the season and all the small clubs and who give so much pleasure to so many.
- **Music & The Arts** – To all the local groups who provide and encourage so many people to take part and enjoy these activities.

Contributions welcome

- Please feel free to send in your prayers for publications.
