CHURCH RUNNING COSTS

In 2025 it costs approximately £1500 a week to keep St Mary's Church open and running. We are thankful to everyone who gives to the church, but currently giving is not covering our costs; we are around £180 a week short. Please keep supporting us as much as you can, and if you don't currently financially support St Mary's maybe you could think about it? If you can give some financial support, please contact the treasurer or any other church official.
