

Word from RevLaura

There have been some great Harvest celebrations and thank you to all who have decorated the churches so beautifully and worked so hard at the lunches. Autumn is a good time to think about how God is with us in the seasons. The autumn colours and floating leaves everywhere remind us that we are ending summer and now going into a time of winter. The great thing about creation is that even though it will rest through the winter months, nothing is lost, many of these plants and trees will once again come to life as we enter the Spring season. The church goes through different seasons, and it may seem that we are being pruned. However, this is a time to pray and remember that Jesus is with us always. Jesus will build his church, and we must be patient, and keep showing others that God loves them. Let us be seeking the Holy Spirit for guidance as we go into the next season. Amen.
