## † ALL SOULS SERVICE (FAITHFUL DEPARTED) - 2<sup>ND</sup> NOVEMBER AT 3PM

On the Sunday nearest 2<sup>nd</sup> November, we celebrate All Souls, a festival where Christians commemorate those who have died in their family and community. Around the world this is celebrated in many ways and for these parishes we hold a special service at Ingatestone Church to remember all those who have died. This service is open to everyone, particularly those who are recently bereaved with a focus on those families for whom we have provided a funeral for in our benefice. During the service we will sing hymns, say prayers and light candles in memory of our loved ones.

There will also be refreshments afterwards and a chance to connect with others in the same position as you, if you wish. We hope you will be able to join us.

## † FLOWER ARRANGERS NEEDED

Pat Rayner-Bates needs more people to help with church flowers. You do not have to be trained or a professional, just have an interest and love of flowers. Please contact Pat if you can help, please: 01245 420502 or [pyrayner@gmail.com](mailto:pyrayner@gmail.com)

## † CHURCH COMMUNITY

Our community could always do with some extra helpers and there may be a role that you would like to play. It may be that you have limited availability and unable to commit to weekly or monthly duties, but we can always accommodate you. Training and guidance will be given. We have opportunities for **volunteer welcomers, vergers, lesson readers, prayer leaders, lay ministry leaders, children's ministry helpers, fund raisers and PCC members**. Please speak to René Horner, Sue Thomas or Canon Lee if you would like to be part of our mission.

## † OFFERTORY

Please remember that our church depends on your giving, for which we, and those who we support are very grateful. Cash or Card payments can be made at our services. Please see Rene after the service for card payments. If you are not attending regularly in person, please help us to keep our church going by remembering your Giving. This is best done by regular Direct Debit or Standing Order. It helps us to budget if we know that we have a reliable amount coming in.
