First Word from the Rector

Tel: 01760 338552

British people are well known for talking about the weather. And this year the weather certainly has given us much to talk about. As I write, sustained heatwaves and drought are now giving way to wind and heavy rain. I won't presume to predict what the weather is like as you read this.

Such extreme and unpredictable weather makes for anxious farmers. Poor harvests soon affect us all. Food becomes scarcer and more expensive. We live in a world where not everybody has enough.

This makes every example of fruitfulness or plenty stand out. Did you notice the blackberry bushes heavy with fruit? Or the paths crunchy with a thick carpet of acorns? Do any other examples come to your mind?

Even in difficult circumstances, nature still finds a way to survive and grow. The weeds in our pathways are evidence of that. All of nature has a desire to survive and grow. Creation is infused with an urge to live and to bear fruit.

In this, creation expresses the active presence of its creator. Creation constantly seeks life because God is life-giving. In October the church celebrates God's life-giving generosity:

- in nature as we celebrate Harvest festival
- in our local communities as we celebrate Dedication Sunday
- in God's love for us as we celebrate Bible Sunday.

This month, I invite you to celebrate all that is life-giving. Perhaps decorate your house for harvest. Possibly throw a party or find some other way to thank those that you see making a positive difference in our community. Maybe explore the offer of new life in Jesus.

Angela

A vote of thanks!

Gift morning

We are blessed to have seven beautiful and ancient churches in our communities.

Their worshipping communities open all of them (except Narford) every day and do all they can to keep them in good order. But they can only achieve this with the support of the wider communities. That is, you.

You will find a donation envelope with this magazine. There is a QR code to use if you wish to donate in that way. Otherwise, you can complete as much of the outside of the envelope as you wish and then put your donation inside it.

Saturday October 11th is our annual gift morning. There will be a volunteer in each open church ready to welcome you and receive your donation between 10am and noon. Please consider what you can give to help keep your church open and active.

If you are unable to get to church on the gift morning, you can still use your donation envelope. Just put it in the plate at a church service or hand it to your local churchwarden or post it to the Rectory in Narborough.

Whatever you give makes a difference. Thank you.

The Spoonbills of Holkham National Nature Reserve

Presented by Andrew Bloomfield

Andrew Bloomfield is an experienced Birder and Naturalist born in Holkham and bred in Norfolk. He is a senior conservation warden on the Holkham estate in North Norfolk.

Andy began volunteering on the Holkham estate in 1990 and has been able to combine his hobby of birdwatching and all aspects of wildlife and fauna with his career on the Holkham National Nature Reserve, *to the envy of many I am sure!*

Andy has also been a rock and roll singer and a former UK Old School Wrestler and is also a dedicated Father. He has written a number of books and many smaller articles in a range of ornithological journals.

Andy's knowledge and passion for Spoonbills has greatly influenced the success of the breeding colony of Spoonbills at Holkham. He is founder of the UK Spoonbill Working Group and has lectured internationally on the Spoonbill success story.

During the past year 41 pairs of Spoonbill have bred at Holkham and successfully averaged two juveniles per pair. This is the 15th year that Spoonbills have nested at Holkham during which time 748 juveniles have fledged!

To find out more about this success story, don't miss Andy's presentation on 29th October.

Please come along. Visitors will be very welcome.

Admission £4 on the night, free to NarVOS members.

Castle Acre Parish Council, September Report 2025.

Castle Acre Parish Council (PC) held an Extraordinary Planning meeting on Thursday 4th September 2025 with one member of the public in attendance and its regular monthly meeting on Thursday 11th September 2025, with no members of the public in attendance.

A note of thanks from Castle Acre Heritage Group

Thank you to all those who brought items to the successful Finds Identification Day held in the Priory Barn on 02/08/2025. Attended by eighty-three people along with items generally found in their gardens all adding to our knowledge of Castle Acre's heritage. A report on the finds is being written (no names or exact locations included). A copy can be sent on request by emailing clerk@castleacreparishcouncil.gov.uk when available.

Those who came to the 'stargazing and picnic' held at the Castle on Tuesday 13th August enjoyed a perfect summer's evening, warm and still. We watched the moon rise, myriads of stars appear and just as we had hoped, saw shooting stars from the Perseid meteor shower.

Extraordinary Meeting September 4th, 2025 – Ref: 25/01297/F 12/08/2025

"Self-build and part retrospective erection of replacement dwelling and detached garage at Ran Revir, Bailey Street, Castle Acre, PE32 2AG"

At the Extraordinary planning meeting of 04/09/2025, CAPC proposed and voted to OBJECT to the application by a majority vote of 4/6 Cllrs for the following (abridged reasons): *"CAPC considers this to be effectively a new application, considering the 'part retrospective' aspects with reference to the previous property which was located at this site. The Council noted that the previous property has been demolished without the appropriate permissions. This is a particularly sensitive site. It sits on the south-western approach to the historic conservation village (alongside the Peddars way) and is in the foreground of the conservation area and views of the Castle (SM). Being adjacent to the entrance of the village, this location has both historic and archaeological significance. The river Nar with its SSSI habitats and designated protected species are to the eastern boundary of the development site."*

Note: For full planning response, submitted to BCKLWN planning on 05/09/2025, contact the Clerk.

Further to this response, Castle Acre Parish Council has recently received 'Targeted Consultation Information booklets and feedback forms' due to several material changes made, after previous feedback was received from Residents, CAPC Solar Steering Group and KLWNBC. This period of Consultation runs until 01/10/2025; any Residents wishing to submit their views, please collect your booklet from Budgens, Whittles and St James the Great Church.

Castle Acre Playing Field Association

Sunday, September 7th Village Playing Field Fete

Thanks to everyone who helped and/or supported this year's annual fete. The weather was sunny and warm, if not a little windy, and there was a good attendance which we are pleased to say enabled us to raise just over £2,250.00 which goes towards the upkeep of the playing field and its facilities.

Nigel Chambers, Chair

Norfolk Churches Bike Ride

Braving the elements!

On a day when West Norfolk witnessed virtually all four seasons in one – sun, blustery winds, thunder, lightning, heavy rain, hailstorms and finally a bit more sunshine – cyclists and drivers from Castle Acre braved the elements in aid of the annual Norfolk Churches Bike Ride.

The sponsorship money is still coming in, but it looks as though their efforts will raise well over £800, which with gift aid added could total more than £900. Half of that will go towards the upkeep of Castle Acre church, with the remainder used for church restoration projects around Norfolk.

The final total will be given in next month's magazine. Meanwhile, huge thanks to all the volunteers who were on hand to welcome participants to our church – Anne, Queenie, Mavis, Jim, Linda, Richard and Barbara. And, of course, special thanks to our cyclists and drivers: Rebecca, Charlotte, Peter, Queenie, Jim, Carys, Charlie and Chris, and to the many generous folk who sponsored them.

Chris Whitehorn

Castle Acre Coronation Bowls Club

Once again the sun sets on another enjoyable season at Castle Acre Coronation Bowls Club. It's been a year that has brought challenges with the hot dry weather, but we have managed to keep the green in good condition nonetheless, it's often been the envy of other clubs! Our teams have done well in the leagues, finishing third in the Federation, second in the EBA and third in the Albert Victor.

We had a fantastic end of season win in the Downham Triples beating King's Lynn in a close final at Downham Market on the 30th of August.

We thank all our members who have supported us throughout the year by playing in the teams, making cakes for our cake stalls and matches, helping with the green and the running of the club plus all of our sponsors whose financial help has been much appreciated in a year of rising prices.

Roll on 2026!

Paul Slocombe

The Stitching Group

The October meeting of the Stitching Group will be held at
Foldgate, Back Lane on Wednesday 8th October
from 11am until 12.30pm.
All welcome.

Castle Acre Horticultural Society

Who'd have thought Nature would come up with such a challenging gardening year? — it was the warmest summer on record and although sunshine and multiple heatwaves weren't entirely unwelcome, it has been a bit of a nuisance to have to wait until September for a jolly good downpour! Still, our gardens have mostly recovered by now, the soil is warm & not-too-wet, and hopefully there are plenty of fine-weather days to come . . . just the right conditions for planting daffodils! For the most natural look next Spring, gently throw a good handful, plant them where they fall, then leave Nature to do the rest.

As we head into this year's 'season of mists and mellow fruitfulness' our Autumn 2025 programme will include:

**Monday 20 October 7.00pm · Village Hall
FUNGHI Talk by Dr Tony Leech**

**Monday 17 November 7.00pm · Village Hall
WINTER VEG Talk by Pauline Harper**

**Monday 15 December 7.00pm · Village Hall
Our CHRISTMAS SOCIAL**

We're now inviting suggestions from members for additional 2027 Hort Soc events: these can be in the form of trips out, guest speakers, topics and/or any other event that members may like. Please give your suggestions to a member of the Committee, or contact us by e-mail (see below).

Narborough New Churchyard

If you have visited Narborough new churchyard recently you will have noticed that it is looking rather different. We went for so long without any rain that the pond completely dried up. Several of the willows dehydrated and then fell down. The church is immensely grateful to Philip Starling and Sean who have worked tirelessly to chop up the fallen trees and clear much of the pond floor ready for when the water table rises again.

Assisted by his family, Mr Starling has also done a tremendous amount of work gardening the churchyard. This is a labour of love. We are enthusiastically looking forward to developing the area further as a beautiful sanctuary for both humans and wildlife. It is a special place.

If you would like to join in the volunteering, we would love to hear from you.

Please contact churchwarden James Stephenson or Mother Angela.

Narborough News

Narborough Parish Council Report - September 2025

On Behalf of the Parish Council, I hope Residents have had a safe and wonderful summer.

The Chair opened the meeting and Cllr Pipe welcomed the councillors; no members of the public attended.

Apologies from Cllr Williams were received and accepted.

Breckland Councillor, Peter Wilkinson, was very pleased to announce that Narborough has been recognised by Breckland Council as a mindful village.

Narborough was recognised for organisations and community projects held in the village, which support and benefit its residents. Parish Councillors Helen Pipe and Peter Wilkinson have undertaken Mental Health and Well-being training, and Councillor Pipe is now a fully trained Mental Health first aider who can be contacted for help and advice and signposting.

The Shelf Pop-Up Pantry is held every Tuesday between 1pm -3pm in the Florence Green Room, Narborough Community Centre. The community cafe run by community centre volunteers, is held on a Tuesday.

The Narborough Museum, the Bone Mill and the allotment run by a local resident benefiting the Narborough community, were all organisations recognised as contributing to the award being received.

Norfolk Warm Homes Scheme supports fully funded energy improvements which are available to household occupiers with a gross annual household income of £36,000 or less.

Please contact Norfolk Warm Homes for support and more information.

As residents will have noticed, the Parish Council has purchased new replacement dog poo bins. The bin located on Meadow Road is used more often, and the Parish Council has been notified by Breckland Council/Serco that the Meadow Road bin has been over full. It is not acceptable for Serco employees to handle individual full dog poo bags, and the Parish Council respectfully asks that dog owners not add to the bin when it is full, until the Parish Council replaces the bin with a larger one at this location. It is acceptable for the dog poo bags to be deposited in the household landfill green refuse bin.

There are vacancies on the Parish Council. If any resident would like to become a Parish Councillor and support the Village, please contact the Parish Clerk Sara Porter at clerk@narborough-norfolk-pc.gov.uk for information on becoming a councillor.
