All Saints', Melbourn

The produce collected at the Harvest Service today, will be donated to the Meldreth Foodbank. Thank You for your support.

Harvest Festivals 2025 Our Harvest Festivals this year are slightly later than usual due to the Vicar disgracefully taking leave at the end of September! They will be held as follows:

Holy Trinity 5th October 9.45am

All Saints' 12th October 9.45am

As ever, we are grateful to receive your donations of products which we will take to our local Foodbanks where they will be distributed amongst our community to those in need. Please do give what you can, and make sure all items are suitable for the Foodbank. Thank You.

Building Works in our Churches You will no doubt have noticed recently that we have plans for development in our churches. When works are happening it is often necessary to close our churches for safety reasons. We are trying to keep this to a minimum. However, we will be closing Holy Trinity for 3 weeks in November. The church will close on the 3rd November and will reopen with new seating and lighting at a special service at 6pm on the 23rd November – just in time for the Christmas Tree Festival the following week.

**Do join us for tea and coffee after the service
in the hall next door!**
