November Letter

Dear Friends,

I wonder if you like a riddle....

*Question: What starts with us all,
but ends rather blue and cross?*

*Answer: November – but can you
work out why? (please see p. 21
for the explanation)*

As November begins I can't quite believe Alan & I have been with you for two years. They say *time flies*, and it certainly has this year. It's been a very special year for all sorts of reasons including Knitivity, being Chaplain to the High Sheriff of Cheshire and becoming a Grandma. We are so grateful to God for his goodness to us, and excited to see what he has in store as we begin the new church year on Advent Sunday which this year falls on Sunday 30th November.

I have also been thinking about some of the new faces we have been seeing across all the different services we have, and again thanking God for each one. It's made me wonder whether there may be some in the church family who would like to join a group that looks deeper into what

it is to know and follow Jesus, and with the option to be confirmed at some point in 2026. I think I'll simply call the group *Deeper*. If this is something that would be of interest to you, please do speak to me/ text/ email or give me a call.

In the meantime, this month gives us a couple of opportunities to engage with two important aspects of our faith – safeguarding and giving.

On Sunday 16th November our 10.45 service will be following the Church of England's National Theme of Safeguarding. We'll be considering how we welcome and help one another to stay safe, supporting one another as we learn and grow together into all God has for us.

After the service we have a representative, Ruth Lancaster, from one of the charities we support joining us for a Bring and Share lunch in church.

The charity is IcFEM, located in the rural North West of Kenya, which Alan & I were blessed to be able to visit two years ago. Ruth will be coming to give us an update on how things are going

and to share some ways , in addition to our prayers, in which we can support our Christian sisters and brothers there.

Dreamland Mission Hospital

Our hospital provides care for a wide range of illnesses and injuries, including routine care for those who would otherwise be unable to afford it.

There will be another opportunity to give with generosity a week later on 23rd November with our annual Toy Service. All contributions will be given to local families in need to help them over the holiday period and ensure their children have gifts to open on Christmas Day.

I do hope you will be able to join us for these events.

God bless,
Heather

Macmillan

It's that time of year again when we support the World's Biggest Coffee Morning in aid of Macmillan and All Saints' has come up trumps yet again.

Ignoring the calories, homemade cakes and bread enticed people to furnish their larders with a tasty treat. This year we decided to run a bottle and chocolates tombola which proved very popular. Lots of people went home to the chink of bottles – ideal presents for Christmas! And then there was the aroma of bacon on a bap and cheesy oatcakes accompanied by tea or coffee – a welcome refresher when you'd spent up.

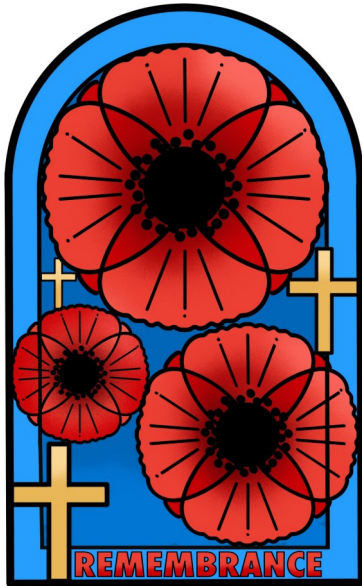

In two hours, we raised the magnificent total of **£800**, the highest total we have ever raised! A number of people Gift Aided their contribution, so, when we add this to the total it comes to **£875**. An absolutely brilliant achievement.

A great big THANK YOU to all who helped with this worthy cause. I really do appreciate the amount of time you give. THANK YOU to all those who came, filled the church and spent their money.

Margaret Cruxton

Remembrance

November is a time for looking back, a time for remembrance.

And Remembrance Day itself is of course a time to remember with gratitude the supreme sacrifices that our armed forces made during World War 1, World War 2 and other more recent conflicts.

Do join us here at All Saints' for our Remembrance Service on Sunday 9th November at 10.45am

On All Saints Day and All Souls Day we remember the Christian saints

and martyrs down the centuries who gave their lives for Christ.

November also brings us The International Day of Prayer for the Persecuted Church (IDOP), which reminds us that conflict is far from over: 380 million Christians worldwide live under persecution today.

But November also brings us the final Sunday in the church calendar: the Sunday of Christ the King. And Revelation 21 promises that one day God will wipe every tear from our eye, and death will be no more; grief, crying, and pain will be no more, because the previous things will have passed away.

So, this month is not only a time for Remembrance, but a time for looking forward to the world to come, when 'Thy Kingdom Come' will no longer be a prayer of hope, but an eternal glorious reality.

Sayings of old.

Anger: Because you are angry at the vicar, why refuse to say 'Amen' to the prayer.

Anger is a fool. Never try to pacify someone at the height of his rage.

Anger in a house, is like a worm in a plant.

Observe people when they are angry, for it is then that their true nature is revealed.

Anger begins with madness and ends in regret.

Holding onto anger is like grasping a hot coal with the intent of throwing it at someone else, you are the one that gets burnt.

Speak when you are angry, and it will be the best speech you will ever regret.

Anxiety:

Only one type of worry is correct: to worry because you worry too much.

Riches bring anxiety: wisdom gives peace of mind.

Never trouble trouble till trouble troubles you.

Today is the tomorrow you worried about yesterday.

Appearance:

A homely patch is prettier than a beautiful hole.

Argument: The man with an unimpressive argument rattles off too many of them,

If you protest long enough that you are right, you're wrong.

Toy Service 2025

The Toy Service is on 23rd November 10.45am

It's October and I'm thinking about the Toy Service and Christmas toys for those less fortunate than ourselves.

Our toys this year like last year will go to support and be distributed locally by our various community charities. So please go out and buy as you would normally do and yet again let's put a smile on the faces of local children this Christmas-time.

And to the question "Has he been yet?" let's make sure children know that Yes, he has

been, as usual silently in the night.

The gift tags will be available in church from Sunday November 9th.

My hope is that All Saints' Church

will embrace this project with the generosity you've shown in previous years and make Christmas 2025 wonderful for a child in need of love at this special time of the year.

With love and best wishes as we all prepare for Christmas.

Blessings to you all Bev x

Careful!

There was a very gracious lady who was mailing the old family Bible to her brother in another part of the country. "Is there anything breakable in here?" asked the postal clerk. The lady thought for a moment. "Only the Ten Commandments."

"Goodness! is it time for Christmas Fair organising, carol service planning and nativity play rehearsals already?!"

Recycling & Green Living Tips

The 3 main reasons that shopping for second-hand items is great for our planet

- It saves the natural resources used to make new items
- Avoids the emissions from manufacturing and transporting new products
- Prevents items from going to landfill and reduces waste

Stop throwing out silica gel packets. Here are 12 brilliant ways to use them around the house

Silica gel packets are often found in the packaging of various products. These small, seemingly insignificant packets are usually discarded without a second thought. However, they hold a hidden value that many people overlook. Silica gel is a desiccant, meaning it absorbs moisture from the air, making it incredibly useful in a variety of household applications. By repurposing these packets, you can extend the life of your belongings and solve common household problems.

1. Preserving Important Documents and Photos

Moisture can cause significant damage to paper documents and photographs, leading to warping, fading, and mould growth. By placing silica gel packets in storage boxes or filing cabinets, you can create a dry environment that helps preserve these important items. This is especially useful for documents that need to be archived for long periods, such as birth certificates, legal papers, and cherished family photos.

2. Keeping Toolboxes Rust-Free

Tools are often stored in garages where humidity levels can be high, leading to rust and corrosion. By placing a few silica gel packets in your toolbox, you can help absorb excess moisture and protect your tools from rusting. This can extend the life of your tools and save you money on replacements.

3. Extending the Life of Razor Blades

Razor blades can quickly become dull and rusty when exposed to moisture. To extend their life, store your razor in a sealed container with a silica gel packet. The packet will absorb moisture and keep the blades dry, reducing the risk of rust and maintaining their sharpness for longer.

4. Protecting Electronics from Moisture

Electronics are particularly sensitive to moisture, which can cause short circuits and damage components. Placing silica gel packets in storage boxes or bags with your electronics can help keep them dry and functioning properly. This is especially important for items that are not used frequently, such as cameras, laptops, and seasonal gadgets.

5. Reviving a Wet Phone

If your phone accidentally gets wet, remove the battery and SIM card and place the phone in a sealed bag with several silica gel packets. Leave it for at least 24-48 hours to allow the packets to absorb the moisture. While not guaranteed, it can sometimes revive a water-damaged phone.

6. Preventing Silver Tarnish

Silver items, such as jewellery and cutlery, can tarnish when exposed to moisture and air. Storing them with silica gel packets can help reduce tarnishing by keeping the environment dry.

7. Storing Seeds for Gardening

Seeds need to be kept dry to maintain their viability. Storing them in an airtight container with silica gel packets can help prevent moisture from causing them to rot or sprout prematurely. This ensures that your

seeds remain ready for planting when the time comes.

8. Maintaining the Freshness of Spices

Spices can lose their potency and flavour when exposed to moisture. To keep them fresh, store spice jars with a silica gel packet in your spice rack or cabinet. This helps absorb any moisture and preserves the quality of your spices.

9. Preventing Mould in Stored Clothing

Clothing stored in damp environments, such as basements or attics, can develop mould and mildew. Placing silica gel packets in storage containers or garment bags can help keep clothes dry and mould-free. This is especially useful for seasonal clothing that is stored for long periods.

10 Enhancing the Longevity of Christmas Decorations

Decorations are often stored away for most of the year, making them susceptible to moisture damage. By adding silica gel packets to storage boxes, you can protect decorations from mould, mildew, and deterioration.

Conclusion: Embrace the Versatility of Silica Gel Packets

Happy Recycling

All Saints' Community Page

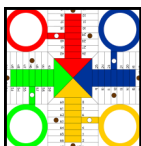

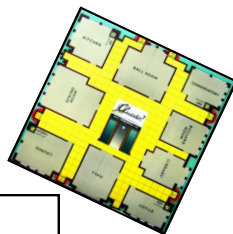

It's been a very busy time in the churchyard this summer and Autumn. The repair work has now been completed on the large body stone. We are in the process of finalising the repair of the clock face. The water leak has been found and repaired and so all the facilities of the church are available to the community again.

As we put the November Magazine together we are in the midst of the "Knitvity" event. As a church we were invited to promote the event in Kidsgrove Tesco, Bev and Margaret took Joseph and a lamb along and had lots of conversations with customers passing by and raised £78.00 towards the event. Prayer for November

Heavenly Father,

Here we are in November – the month of short, dark days. A dreary, difficult month, unless you have a birthday! Lord, it seems as if the world is permanently in November at the moment. So much is so difficult for so many people, through no fault of their own. And it seems to go on and on.

Lord, would You bring your healing light into the world's darkness. Bring transformation, compassion and a softening into the hearts of those with responsibility for the conflict and the suffering, that they might work for peace for all people. We know that nothing is impossible for you, Lord, so we pray in faith – and in the name of Jesus. Amen.

*Explanation of the riddle
 November starts with all of us because 1st November is All Saints' Day, our patronal festival. But it finishes rather blue and cross because 30th November is St. Andrew's Day and his emblem is the blue saltire which includes a white cross.
