In aiming to achieve an Eco church award, we are required to look at our actions in five categories: Buildings & Energy, Community & Global Engagement, Land & Nature, Lifestyle and Worship & Teaching. We have a plan in place for each of these. Let's take a look at Worship & Teaching: the Five Alive Parish Eco Plan states that, *"We aim to include Creation Care within our Worship and Prayer including lament, preaching, prayer/intercession, worship resources, training leadership, pastoral care, teaching and discipleship."*

We traditionally celebrate Harvest Festivals and Plough Sunday, but in recent weeks you will have noticed that we have introduced a season of Creationtide into our services. This is a Season of Creation in the annual Church of England calendar dedicated to God as Creator and Sustainer of all life.
