Bible Study at 15 Linbery Close, Oakerthorpe,

This month's meeting: 18 November, 10.30 -12.00 All welcome!

Please leave items for the Christmas Food Bank collection at the church, or at Taylors Mill, by 1st December. Thank you for your help.

Our grateful thanks go to Taylors for offering this service.

Continued thanks to our friends at Zion Church for the use of their building for our PCC meetings until the church hall is back in use later in the year.

A prayer for November

Father God, we thank you for listening to our prayers and allowing us to place our worries and concerns in your faithful hands.

This month please pray for:

- an end to the conflicts in Ukraine and the Middle East, and urgent help for the starving in Gaza;
- serving military personnel and veterans, as we commemorate Remembrance Day this month;
- the ongoing discussions with the diocese about a new central heating boiler and notice board for the church, and plinths for the organs in both church and church hall.

News

Church: Sadly, we have decided that it will not be practicable to open the church for visitors during the winter months, however, the response during the summer and autumn has been very encouraging.

Harvest Services: Our church harvest service on 12th October was a most enjoyable occasion. Many bags of tinned and packet food were later collected by Clay Cross food bank. We thank all those who generously donated so much. Also, on 10th October a number of us accompanied Revd Jo as she led the harvest service in **South Wingfield School**, ending with an enthusiastic rendering of the Harvest Samba!

Church Hall Repairs: In all the refurbishments we are prioritising energy efficiency and sustainability. Work on the building is just about complete, and our focus is now on reclaiming the many items of furniture and equipment from storage. We look forward to our opening as soon as possible!

Churchyard: A large, dead tree has fallen across the river Amber from a field adjacent to the churchyard. The Environment Agency and the landowner have been informed and we hope the tree will be removed as soon as possible.
