Today's Collect - Eternal God, you crown the year with your goodness and you give us the fruits of the earth in their season: grant that we may use them to your glory, for the relief of those in need and for our own well-being; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

Post Communion - Lord of the harvest, with joy we have offered thanksgiving for your love in creation and have shared in the bread and the wine of the kingdom: by your grace plant within us a reverence for all that you give us and make us generous and wise stewards of the good things we enjoy; through Jesus Christ our Lord.

Eco Pause for Thought Upgrade to Energy Efficient Appliances

Every year, the UK produces 1.5 million tonnes of electrical waste. However, new regulations from the UK government mean that fixing faulty appliances is much easier because suppliers must now offer spare parts for products.

Once it's time to replace your washing machine, fridge, freezer, oven or dishwasher, new efficiency measures have upgraded market standards so that energy-saving appliances are readily available for various prices. You can identify its energy efficiency by checking the energy efficiency label, which runs from A, with A being the most energy-efficient.
