Sunday 12 October 2025 - Our Annual Gift Day

Through 2025 we have seen some very exciting developments within our Children's and Families Ministry, now with 3 busy Praise and Plays every week, significant increases in our schools work (both in all 4 local Primary Schools, - and in Cleeve School), with increased attendance at Holiday Club over the summer and at Bible Brick Club and Jaffa. Ben and Lucy Barbour are continuing to develop Extravaganza events for children and families in Gotherington. It is therefore vital that we can fund this ministry for the long term.

Unfortunately our costs have increased greatly, by some 9%. On investigation these increased costs are in no particular area, but just seem to be across the board.

Our income during 2025, however, has not increased significantly. This is not at all surprising, as we have tried to keep financial requests to the congregation to a minimum, following your wonderful generosity on the Gift Day, back in July 2024.

However this means that we are projecting a financial shortfall of £25,000 for this calendar year. There are 2 underlying factors that are contributing to this financial shortfall. Firstly the general cost increases described above, but secondly the fact that we have never covered, within our regular planned giving, the cost of our Children's and Families Ministry

The PCC have decided we should have an annual Gift Day, giving us all a chance to review our own giving and to reflect on what God is calling us to do as part of Our Vision 2030. You may think this strange given that we have received the legacy from Esme and Graham Teale of £115K! Speaking personally, it seems to me that God has graciously provided for us at a time when we are looking forward to Vision 2030 so we should try to use the legacy for larger strategic developments hopefully making step-changes that are in line with that Vision.

Our financial shortfall is due to recurring costs and I think it would be unwise to plug this gap, by using up the Teale bequest – removing the opportunity to make more significant changes to our church life.

So do please prayerfully consider if you could make a contribution through taking out a brand new Parish Giving Scheme donation or through increasing your current PGS?? Obviously we would love this to a part of your regular planned giving but clearly any gift, through any means would be wonderfully welcome. Please do help if you can – leaflets are available at the back of church.

Save the Date - Women's Breakfast in St Michael's church Saturday 18th October-9am

She's lived in Bishop's Cleeve and been part of the St Michael's family for two years and will share how God led her here and to Mary's Meals. She'll also share some of the incredible experiences she has had in the last two years visiting programme delivery countries (including a recent run-in with the Zimbabwe Ministry for Information) and the learnings she has about what real need means.

Thank you from the Foodbank following Southam's harvest donations.

On behalf of the Trustees and all the Volunteers of the North Cotswold Foodbank, I would like to thank all at Southam church for the extremely generous food donation received recently, weighing in at a marvellous **60.52kg**.

The North Cotswold Foodbank is getting busier each year and we have been able to feed many local families who have found themselves in desperate need. The majority of our clients are low-income, working families and they are all deeply grateful that others would consider them at a very difficult time in their lives.

With rising prices in energy and food, we have seen a marked increase in demand at our local Foodbank over the last few years. Your donation will help to ensure that our Foodbank is well stocked over the coming months so that we can meet any further increase in demand, and help those in our community who are struggling.

Without your ongoing regular support and generosity, we would not be able to offer this help, so thank you all for your wonderful support and kindness - it is very much appreciated and it really does make a difference to so many lives.
