A Poem to Ponder

UNSHAKEABLE (Isaiah 54:10)

Unshaken.

Unshakeable.

I, the Lord, cannot be shaken.

So grasp My still hand,
take hold of My firmness,
My stability, My solidity,

in the face of all your turmoil,
instability, and the shaking
of everything around you.

Your whole world may be heaving,
trembling, shaking, shattering;
but I am not.

You may feel yourself plunging,
flailing, sliding, drowning;
but I am not.

You may be at your wits' end,
despondent, despairing, desperate;
but I am not.

I am the great I AM
who was and is and shall be
forever the same.

I am the unmoveable One;
The Unshakeable One;
the you-can-always-rely-on-Me One.

And I love you, so deeply;
and have compassion on you, so greatly;
I will never let you go.

Come fire or flood,
earthquake or mountain shake,
I, the Unshakeable, am with you
to hold you close to My heart.

Message from Pam,

I hope you all enjoyed the last edition of our magazine. Your contributions always make it more interesting. I hope many of you will contribute to the next one. The theme is winter and the new year. Any stories or incidents along this theme will be gratefully received. I would like to receive items for the magazine by 13th November. Thank you, Pam West.

Eco Tips – Here are some ideas to help you make ‘enjoying nature’ more intentional in 2025

There are many, many people who have previously and who still volunteer with A Rocha UK - you may be one of them! Thank God for our wonderful and talented volunteers who give so generously of their time and energy and make it possible for so many of our programmes to run smoothly.

Eco Tips

Taste the difference! Local and seasonal food not only tastes great but is better for the planet too. Think about incorporating locally grown produce into your diet and shopping list throughout the seasons, as it is harvested at its peak ripeness ensuring superior flavour, compared to imported alternatives that have travelled thousands of miles. If saying grace before a meal is a regular practice in your household, include giving thanks for your local food producers this month.
