The Reader's Reflections

"It's not fair!"

How often in the last month have you heard that said?

How many times in your life have you said it yourself?

It's a common complaint of small children, when they think that another child is getting a bigger piece of cake or a better toy. It's not about equality – if the first child had been the more fortunate one, they wouldn't have complained on behalf of the second. No, all the child cares about is what they think they should have.

Thankfully we grow beyond this stage and are generally content to 'share and share alike'. It's much fairer all round if everyone has got the same amount of food or money or clothing. However that doesn't tend to happen in real life, and there is a big difference between the 'Haves' and 'Have nots'.

This Sunday we will be learning about "Toybox", a charity that works to make the world a fairer place for street children. These children, for whom the street is their home or source of livelihood, are one of the most disadvantaged groups of people in the world, living without rights or protection. They may think that life is not fair, but who is going to listen to them?

That's where Toybox comes in, and it's where we can all come in. By supporting our appeal this Sunday your gift of money, whatever the amount, will make a difference. Together we can help to make the world a fairer place for street children.

Prayer focus this week

Pray for Prime Minister Sir Kier Starmer that God will be at work in his life

and for the next Archbishop of Canterbury -
