

NEWS AND EVENTS

"Eco Church is a scheme to help church communities improve their Environmental impact.

A Rocha has developed Eco Church, an award scheme for churches of all denominations in England and Wales who want to demonstrate that they care for God's earth."

Eco Church, Action of the month: October:

This month we are focusing on making one or two small changes to our lifestyle, which will make a difference to our planet, which is being so damaged by plastic waste. Here are a few suggestions:

- Choosing eco-friendly sponges/pan cleaners - now available in many supermarkets, or online via SMOL or Seep which are plastic-free.
- Using a bamboo toothbrush instead of one with a plastic handle
- Making sure that if you have plastic packaging - eg yoghurt or cream cartons, fruit 'cartons' etc you recycle them with your bottles, jars and tin foil.

Thank you! Let us know how you get on!

Rotary Wrap-up Campaign 2025

We are hosting a collection box again this year for Worsley Rotary's Wrap Up campaign, one at St Thomas and one at Holy Angels. We need coats - clean and in good condition please - of all shapes, ages and sizes. These will be redistributed to people in need before the harsh winter weather hits.

The box will be at the back of church until the end of October.

Thanks for your support.

Eco Church/J Club Activity

After service today, we'd love you to join the children in making autumnal frames and wreaths at the back of church. Everything will be provided, we just need a few minutes of your time!
