REFLECTION

Change of heart :

It is only with the heart that we can repent rightly.

Repentance must involve a change of heart.

Anything less won't produce a new being.

It will be like decapitating weeds.

while leaving their roots intact.

But if we change our hearts,

then we will change our lives too.

After his encounter with Jesus, Zacchaeus' heart burst into life like a desert landscape after a rainfall.

Fear can't produce a conversion of heart;

Only an encounter with love can.

Zacchaeus' conversion was a conversion to goodness.

All of us stand in daily need of such a conversion.

We need to move from a closed heart to an open heart,

From a heart of stone to a heart of flesh.

The Lateran Basilica, is also known as the Basilica of St. John Lateran, the Church of Holy Saviour and the Church of St. John Baptist.

It is the cathedral of Rome, ie the Pope's cathedral, and is where Christians were baptised in ancient Rome. This feast is a celebration in honour of the church which is "the mother and mistress of all churches of Rome and the world" and is a sign of love for, and union with, the See of Peter. It is on the site of the "mother church", which was a large hall on the Lateran Hill that the Emperor Constantine donated to the church and dedicated under the title "Church of Our Saviour." Later, this was replaced with a church dedicated to St. John the Baptist, and commonly known as St. John Lateran.
