Eco Pause for Thought

Tips for a greener Christmas

Go for a natural wreath and decorations. Holly sprigs, ivy trails, pinecones, rose hips... Take a bag, go for a walk, and see what you can find! Make sure that you have permission from the land-owner before you start snipping. Don't take too much and do leave some berries for the birds. Source as much as you can from what's already dropped. Then get creative and make a beautiful wreath and Christmas decorations from natural materials.
