O God of truth and justice,
we hold before you those men and women who have died in active service,
particularly in the Second World War, whose sacrifice brought Victory in Europe.

As we honour their courage and cherish their memory,
may we put our faith in your future; for you are the source of life and hope,
now and for ever. Amen.

*The interviews for prospective Clergy

The Parish of Nork with Burgh Heath

Messy Church is a way of being church for families and others. It's values of being Christ centred and for all ages, based on creativity, hospitality and celebration run like threads though all that we do. At St Mary's we meet on the 3rd Sunday of the month at 10am.

Each morning is based around a Biblical theme with a core message which last month was Hope: putting your trust in God. This was the first in a series on Christian values and way of life. We learnt a new song with loads of actions and listened to a talk from Andrew who challenged both children and adults alike by posing questions about Bible characters who put their trust in God. After refreshments, we had fun with games and activities related to the theme. We played the trust game, falling back into safe hands, decorated a pot and planted it out as a sign of hope for the future and expressed our feelings to God thinking also about what His response might be through writing a letter and using emoji stickers.

As our name suggests, often our activities ARE messy but the word also reminds us that Messy Church gives us space to come in our messy lives and know that God is with us in all things.

Whatever your age you're always welcome at Messy Church!
