FIRST WORD from the Rector

I have lived in both Scotland as well as England. So, I am very conscious that New Year is much less of a big deal south of the border. Certainly, our streets are quieter and our parties smaller. Many of us just stay at home. And yet at midnight our mobile networks are under strain. Many of us rush to wish one another a happy new year. Why is this?

Perhaps we feel that the passing of the old year and the coming of the new gives us the chance to refresh our lives. We have an opportunity to decide to take a new track, to rewrite our future, or at least to hope for better. And, social beings that we are, we hope for one another as well as for ourselves. Christians know this opportunity every time that we worship. Because our worship nearly always starts with prayer for forgiveness. This is often misunderstood as an obsession with sin and an urge to demean ourselves. Yet it is the polar opposite. We have the strength to face our shortcomings and the shortcomings of the world. We dare to hope for better for ourselves and others, to seek to rewrite our future, and to take a new tack. Why is this?

Because we trust in a God who is endlessly creative and who says to us 'Behold, I am making all things new' – all things. Therefore, it is our prayer for the world, for our local communities, for you, and for ourselves, that each new year and each new day may bring renewal and new life.

Happy new year everyone!

Mother Angela, Tel: 01760 338552

THANK YOU!

A note of thanks from Queenie

Many, many thanks to my family and friends for the lovely flowers, cards, chocolates and kind words after the horrible crash on my bicycle, which left me with broken ribs on the left side of my body. I am making slow progress. Thanking Rev Angela and the team for all their prayers. I know that I will soon be back again!

Merry Christmas and a happy and peaceful new year to all.

God Bless

Queenie Parker

PS: 3 bikes for Sale! 01760 755410

Thank you from Binnie Poponne and family...

We would like to thank everyone at St James's Church and the wider community for all their help and support during Casey's illness and for the wonderful farewell at the church. People were so caring; it showed humanity at its best.

We are proud to be members of Castle Acre's community, and have felt loved here ever since we moved in 20 years ago.

Thank you all.

Norfolk Churches Bike Ride

A huge well done and thanks to Julie, Kevin, Gareth and Tom who cycled in the Norfolk Churches Bike Ride for St George's Church here at South Acre.

A tremendous figure of £1,519.50 was raised! Half of this will be going to St George's with Gift Aid yet to be added.

Thanks to all who sponsored them.

Wendy Eggleton

CHARITY OF THE MONTH

The Charity of the Month Scheme enables both visitors and members of the congregation to show their support for certain nominated charities. An information board and donation envelopes can be found at the back of the Church.

The charity in December will be the King's Lynn Winter Night Shelter which offers an evening meal, a safe place to sleep and a warm welcome to people with nowhere else to stay. The January charity will be the Castle Acre Church of England Primary Academy Bibles for Leavers' Fund. The Bibles are presented at the end of year service.

REMEMBRANCE DAY 2025

Villagers and pupils from Castle Acre Primary School gathered at the War Memorial on 11th November to mark the 2 minutes' silence at 11am.

Pupils paid their respects by laying items they had made as a part of their remembrance day activities.

Poppy Appeal 2025

Our grateful thanks to everybody who supported this year's Poppy Appeal, whether by selling or buying poppies, wreaths and other items. Special thanks to the ladies who stepped in to help with the house to house collection at the last minute!

Paul and Sue Slocombe, Poppy Appeal Organisers

CASTLE ACRE PARISH COUNCIL – WINTER REPORT 2025

Castle Acre Parish Council (PC) held its regular monthly meeting on Thursday 13th November 2025, with one member of the public in attendance.

We would like your views on CAPC creating a PIIP ‘Parish Investment & Infrastructure plan’. Due to a BCKLWN review and changes to CIL (Community Infrastructure Levy) funding, monies levied from new developments to Borough and Parish Councils. PCs are advised to create a ‘PIIP’ Parish Infrastructure and Investment Plan. CIL(2026) funding for projects between 10 and 100K will be possible via application from 1st March to 1st May 2026, applications should ideally be supported by a PIIP plan / and any match funding designated to projects that improve the infrastructure of the Village for the benefit of the local community. CAPC are asking Residents of our Village if there are any projects that should be considered. Please email the Clerk with your thoughts / ideas...

South Acre Ford TRO ref: WTRO5199.

On 04/11/2025 CAPC received a further notification from NCC/NP Law advising CAPC and Residents that the current temporary road restrictions will be extended until 27th February 2026. The continuation of the South Acre Road closure is owing to increased water levels and safety concerns for road users.

Have your say on Bus Services in Castle Acre.

NCC Transport Dept. is currently consulting Castle Acre Parish Council as to any suggested improvements to the number 32 and Flexibus service with a view to making any changes required at Easter next year. If you currently use either service to access Swaffham & King’s Lynn for GP/Dental/Shopping and/or social reasons, what changes would you like to see? Any suggestions, please email the Clerk with your thoughts by 31st Jan 2026.

Looking to fill vacant seat on CAPC.

Castle Acre Parish Council would like to recruit an additional Councillor to fill the recently vacated seat. Would you consider joining the group of dedicated CA Councillors? Contact the Clerk for further information.

You could help save a life with only fifteen minutes of online CPR Training. Would you like to learn how to react in an emergency, say for a loved one, friend, neighbour or stranger who might need urgent help? Cllr Chakrabarti has recently recommended online training with the British Heart Foundation, who provide free 15 minute CPR training via the RevivR app. Please view: [Learn CPR in 15 minutes for free | RevivR - BHF](#)

Seasons Greetings and Thank You.

As we race towards the end of yet another year, your Parish Council would like to thank everyone who contributes, our dedicated volunteers and Councillors for giving their time and skills in so many ways to the community of Castle Acre. The village would not be what it is without every one of you - sincere thanks to you all.

Seasons Greetings from the Parish Council with the hope of
a happy and healthy New Year for you all.

To view Council Minutes and finances go to: <http://castleacreparishcouncil.gov.uk>.

Castle Acre PC’s next meeting is 7:30pm, Thursday December 11th, 2025, at CA Village Hall. Clerk- Amy Hart Tel: 07815430777 Email: clerk@castleacreparishcouncil.gov.uk

DATES FOR YOUR DIARY

Stitching Group

Our December meeting will be held on December 10th at River Cottage, 65 Bailey Street and the January meeting on 14th January at The Malt House, Bailey Street.

Both meetings are from 11am to 12.30pm.

We have recently donated blankets to the Night Shelter in King's Lynn and the Warm Baby Project in Watton. We have now added to the list the Fistula Hospital in Ethiopia which treats women after childbirth injury and aims to give every patient a blanket on arrival.

Castle Acre Horticultural Society

From a gardening perspective, we could hardly complain about this year's autumn weather — until mid-November we had no really chilly spells and, although it was a little dry, the days were mild and nights were frost-free, so that cosmos, dahlias, kniphofia, roses and even lavender continued to bloom and flourish in our borders — a really colourful and beautiful autumn . . . perhaps getting us all ready for some old-fashioned winter weather to come?

Our November talk by Pauline Harper — 'Winter Vegetables' — was especially useful for members who grow-their-own, but we were also reminded of the wonderful range of produce we might buy from local sources: parsnips, carrots, chicory, kale, cabbage, carrots, beetroot, swede and celeriac (not forgetting our favourite Christmas treats . . . mmm! crunchy celery, crispy roasted potatoes, braised leeks and yes — a huge pile of yummy sprouts!).

Our 2025 Christmas get-together will be held on Monday 15th December and HANNAH HUNNAM will be joining us again for our Christmas greenery demonstration. You may remember that last year Hannah produced a wonderful festive door-wreath with pine cones and hypericum berries, a beautiful addition to our usual selection of Christmas raffle prizes.

***Monday 15th December · 6.30 for 7.00pm at the Village Hall,
to include Seasonal Refreshments and Christmas Raffle***

Hort Soc Winter Supper and AGM will take place on Friday 23rd January 2026 — full details will be coming out to members after the Christmas festivities.

To everyone gardening in the Nar Valley we send Good Wishes for a very Happy and Peaceful Christmas

THE DROVES AND HIGH GROVE SOLAR FARMS

A Threat to South Acre, Castle Acre and our surrounding communities.

Thanks to all who continue to engage with the consultation / planning process as it progresses for the two local proposed solar farms, **The Drovers and High Grove**.

Castle Acre Parish Council urges residents to continue to be aware of these and the impact they will potentially have on our communities.

The Drovers site alone covers over **2,000 + acres** of productive farmland north of Swaffham, west of the A1065, (**High Grove**, in total, being considerably larger also to the west and to the east of the A1065). **The Drovers** scheme includes approx. **25 acres allocated for a lithium battery storage site, 20 acres for high-voltage National Grid and solar compounds** (up to **15 metres high**), **new 400kV pylons** all to the west of the A1065, south and west of Bartholomew's Hills / Wood. Even after the Drovers Solar farm is dismantled, the National Grid substation, about **10 acres in size**, will remain permanently, much like the one now dominating the landscape at Necton.

We believe the visual and environmental impact will be immense: including thousands of steel piles driven up to 4 metres deep to support solar panels, wide trenches for high-voltage cables, and acres of concrete replacing fertile soil. Food production will be lost to these schemes. Heritage experts warn of potential damage to **archaeological remains**, including potential Roman and prehistoric sites beneath the fields.

The World Health Organization recommends solar farms be at least **2 km (1.2 miles)** from residential areas, so protecting wellbeing, yet this development will sit just **a short distance from parts of South Acre**, with parts of Castle Acre and Swaffham also within this health guideline zone.

For many residents, the long-term impact on quality of life could be significant, due to noise, light pollution, and visual blight. These are not small local solar projects; they are **industrial power stations covering large areas of agricultural land** in the heart of our historic countryside. Once built, they will dominate our landscape, damage our heritage, and impact the quality of our lives for generations.

We understand there will be opportunities for you to register with the Planning Inspectorate enabling you to make further representation to the independent Examining Authority once the DCO (Development Consent Order) applications have been submitted to the Secretary of State (SoS) through the (PINS) by the developers.

Castle Acre Parish Council is not opposed to the production of solar energy, we are however opposed to the plans for massive industrial-scale solar farms to be built on agricultural land between Swaffham, Castle Acre and South Acre, threatening to permanently change the landscape, heritage, and tranquility of our villages for the next 60+ years.

Please continue to inform yourselves, attend meetings, write objections so that we stand together to help protect our landscape, heritage, and communities from these vast developments.

Birdlife & Birdwatching Walks

Anyone interested in learning more about birdlife in and around Castle Acre would be welcome to join the next birdwatching walk on **Thursday 4th December**.

No need to book, just come along to the village sign on Stocks Green a few minutes before 9am.

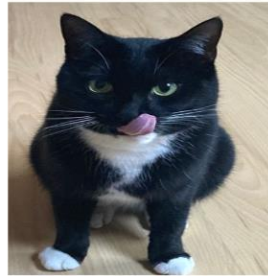

Please note that walks may not take place if the weather is poor.

Douglas is still missing from his Newton Near Castle Acre home since 30th September.

Please check any outbuildings.

Any information, please call Alyson on 07845 943376

Have you seen Douglas?

Douglas is 5 years old; his white markings run from his chin all the way down to his tummy. His front paws are white and he has white socks on his back paws.

Friendly, gentle but cautious of people.
Loved and greatly missed; please look out for him.

Worried about someone?

If you think an elderly neighbour or someone you know needs some practical support that you can't help with, Age UK can provide information and advice on lots of issues - from housing to health.

JUDITH'S FAILSAFE FRUITCAKE

cooked in an oven temperature of 135° centigrade for 2 hours

- 8oz self-raising flour
 - 12oz mixed fruit – you could add a few cherries to this
 - Half a teaspoon of mixed spice
 - Pinch of nutmeg, pinch of salt
 - 4oz sugar
 - 2 beaten eggs
 - 4oz softened butter or good quality margarine
 - Just under 5 fluid oz of milk
- Mix flour with sugar and dried fruit.
 - Stir in eggs and butter; add milk and spices.
 - Beat all together until thoroughly mixed.
 - Place into a cake tin lined with greaseproof paper brushed with margarine.
 - Bake in a SLOW oven for 2 hours. You might want to knock 10 mins off this to test it.

Can be iced and decorated if desired, but delicious plain and will keep well in a tin until all eaten (which won't take long!)

NARBOROUGH PARISH COUNCIL REPORT - NOVEMBER 2025

The chair opened the meeting with all councillors in attendance. 1 member of the public attended. Breckland Councillor Wilkinson reported that the new Breckland Local Plan for development across the District is now open to public consultation, closing on the 15th of December.

**This is your plan, your future, and your chance to have your say
how Breckland should grow.**

The Local Plan will guide where new homes are built, whether you care about affordable homes, green space, transport, or the character of your village.

You can have your say online at www.breckland.gov.uk/local-plan-2025. Look out for local engagement sessions, speak to planning officers, view live maps of your area.

Inspiring communities from Breckland have health and well-being support available. Information can be sought at the pop-up pantry at the Narborough Community Centre's Green Room every Tuesday from 1pm, or email: communitysupport@breckland.gov.uk.

The member of the public raised concerns regarding anti-social behaviour (ASB) in the village, previously reported to the police. After a long discussion, it was resolved that the Parish Council will, with support from the Community Centre, hold a village residents' engagement event, to try and bring together the police, residents, housing and A.S.B. teams. If any resident witnesses ASB., please report it to the Police via 101, or if you feel that you are in danger, call 999.

As always, the minutes of the meeting can be viewed on the Parish Council website: Narborough-norfolk-pc.gov.uk.

On behalf of the Parish Council, can I wish you all a very Merry Christmas and a Happy New Year.

The next P.C. Meeting will be held Monday January 5th 2026 at 7pm in the Green Room at the Community Centre.

Cllr Peter Wilkinson

Narborough Museum(Signposted from the Ship Corner)

Lots of work has been done at the museum this year. The Bones & Stones Room is finished, new displays have been arranged in the cabins and a display of Mills on the Nar, including the Bone Mill, in the barn.

Our last opening this year is on December 18th and we re-open on February 5th 2026. We will have our usual refreshments etc, free parking and are grateful for donations.

**Merry Christmas & A Happy New Year.
We look forward to seeing you in 2026.**

PENTNEY WOODLAND

Support Needed for Pentney Woods Footpath Registration

We are an environmental group based in Pentney, made up of local residents, and we are currently preparing an application to the local council, to register a footpath in Pentney Woods. We need your support to help keep local paths open and accessible for everyone.

Pentney Woods, formerly known as “Entrylane Carr”, are directly opposite West Bilney Woods, which is managed by the Forestry Commission. The nearest postcode for reference is PE32 1LE. You may recognise the woodland by its green gated entrance located on Common Road.

How You Can Help

If you have walked, cycled, or ridden a horse in Pentney Woods at any time between 2001 and the end of 2022, your experience could be vital to our application.

If you are willing to support the registration effort, please contact us with your name, email address, and contact number.

Once we receive your message, we will get in touch as soon as possible to gather further information and provide any additional details. Thank you for your patience and support.

PENTNEY CHARITY TRUST OPPORTUNITIES

The **Pentney Trust (Charity No: 212367)** is seeking a **Clerk** to support its work in providing grants to individuals and organisations within Pentney.

Clerk Role (knowledge of Pentney is beneficial)

- Attend **4–5 meetings per year** (Monday evenings, 7pm).
- Manage correspondence, prepare agendas, and take minutes.
- Maintain **monthly accounts**, track income/expenditure, and report to Trustees.

Remuneration: Clerk (both roles): £450 per annum; **Secretary only:** £200 **Treasurer only:** £250

Trustee Opportunities The Trust also welcomes **new Trustees** with an interest in Pentney's community.

PENTNEY, NARBOROUGH & DISTRICT WI

We have had a very good year with speakers and outings.

Our Autumn lunch was enjoyed by visitors; there wasn't any food left over and we were thanked for a lovely afternoon!

We haven't got a meeting in December but have our 80th Birthday celebration and visit to the Pantomime.

Why not make a New Year's resolution to give the WI a visit and join in with us?

Merry Christmas and Best Wishes for 2026!

NAR VALLEY ORNITHOLOGICAL SOCIETY (NarVOS)

Indoor meeting at The Assembly Rooms, 1 Market Place, Swaffham PE37 7AB

Wednesday 28 January 2026 at 7.30pm

The Adventures of a (Geriatric!) Bird Nester – Presented by Allan Hale

Allan Hale has been a NarVOS member since the society's inaugural meeting back in 1976. He has been interested in birds for as long as he can remember – probably as a result of his father breeding canaries. He has held a bird ringing licence for more than 50 years, has travelled widely (to more than 100 countries, including a spell working in the Netherlands). His bird ringing trips have taken him to Cyprus, the US, Brazil, The Gambia and Senegal, and he ran the ringing laboratory at Thunder Cape Bird Observatory in Ontario, Canada for six springs and two autumns. His claim to fame is having slept in the same bed as Princess Anne – but not at the same time!

This talk includes some of the highlights of the last 16 years of Allan's bird nesting. This timeframe is significant as it marks when he started submitting Nest Record Cards to the BTO in computerised form. He's submitted more than 2,800 cards across 69 species, all with multiple visits. Many of the nests have been in boxes constructed and erected by skilled NarVOS member Jonathan Hall. Over the years, Jonathan's constructions have been used by no fewer than 28 avian and six other species, ranging from the diminutive Pygmy Shrew to the hostile Hornet. The presentation covers owls, Peregrines and Tree Sparrows in some detail, plus several harder-to-find species.

Please come along. Visitors welcome. Admission £4 on the night; free to NarVOS members.

For more information contact Paul Fuller or Alan Schpot via paul.fuller123@btinternet.com or alan.schpot@talktalk.net or go to www.narvos.org.uk
