CHURCHES OF
**NORTH
BRADFORD
ON AVON
& VILLAGES**

Dear Friends,

As part of the collective worship this week at Winsley Primary School and Churchfields Primary School in Monkton Farleigh, I took in a snow globe. We chatted about how pretty and exciting the snow makes it look but it's only when the snow settles that you can clearly see the picture that lies within.

It is easy to fill our lives with busyness, especially at this time of year when there is so much going on. Christmas shopping, cards to write, friends to catch up with, and school events to name a few. These are all wonderful things to enjoy, but the more we try to fit in, the less time we have to pause and be still, and remind ourselves of what this season is all about.

Advent is a time for waiting, preparing and trusting. Sometimes we have to let the snow settle and step out of the busyness, to be able to see the person in the middle of our story, Jesus.

I would like to encourage all of us to make space to do this over the coming few weeks. It won't happen by itself, we have to actively seek these spaces. Maybe by adding in an extra time in the day to pause, to be still and spend time with God, perhaps by finding an advent reflection to mull over, or simply by sitting down with a cup of tea with Jesus.

Jesus came to this world to be with us, and remains with us today. All we need to do is take time to pause and breathe, and we will find Jesus at the centre, with us all along. And for those of us for whom, when the snow settles, we don't find Jesus quite where we would like Him to be, then this is also a good time to try to reorder our priorities, let go of things that are hindering us or invite Jesus into those spaces, situations and feelings that leave us feeling jaded, uncertain, fearful or lost.

We have several services throughout this month which create time and space to wonder afresh at Jesus entering our story, but I particularly want to mention our Quiet Christmas on Thursday 18th December, a service for those who have had a difficult year and are not feeling in the mood for celebrating, or for those who struggle with the noise and activity that Christmas brings. Please do mention this service to anyone who you think may find it helpful.

Every blessing,
Katie
