From Jane Skinner

There's a rash of Christingle services which means we go and collect oranges from generous shops and hope there are none soggy at the bottom of the box! It's amazing how quickly oranges can deteriorate when removed from storage. You'll usually be presented with the finished article but you may be allowed the sticky fun of making them during the service. The smell of oranges along with

evergreen and cinnamon are strongly associated with Christmas. I hope as we involve ourselves in so many events and services during Advent, we have time to stop and look/smell/touch/listen and of course taste. Thanks to the many in our parishes who bake, stir, play, sing and so much else to provide our festive cheer. God bless us every one. *Jane*

*Please send Tricia (as an attachment) any posters for your church events for circulation and loading on the website. email: [hartlandcoastparishes@gmail.com](mailto:hartlandcoastparishes@gmail.com)*

*Afterwards, it would be lovely to see some photos, which I can put up on the website.*

As ever, if you are sending me photos, PLEASE send them as .jpg or .png attachments for me to download, as it takes so much time to unravel them otherwise and this format is suitable for loading directly to the website without my having to play with them! Thank you, Tricia
