Your Regular donations to St Peters

Thank you to those of you who have already told me you have switched your standing Orders.

For clarification, if you make a regular payment to St Peters, then this does affect you. The reference to HSBC is our receiving bank, not where you bank.

I have been asked why this has become a problem. The reason its become hard to manage HSBC is because they require most transactions to be online, but as a charity we need to have dual authorisation for payments. But any online access with HSBC automatically allows single authorisation payments.

The alternative are:

1. The Parish Giving Scheme is the simplest, through their website www.parishgiving.org.uk and search Parishes for St Peters Didcot or call them on 0333 002 1271

2. For Barclays, you can set up a new standing order from your account, payable to:
PCC St Peters; 20-01-09; 00691267

Don't forget to cancel your existing standing order to the HSBC account after making the switch! Or put in a one off donation if you cancel before the new SO starts.

If when you make the change, you could consider changing your level of giving we would be very grateful, but we appreciate that this may not be possible for everyone.

Your prayers for our financial position are appreciated.

Do speak to our Treasurer, Sue
