From Jane Skinner

This Sunday sees 'end of time' readings about the rapture and some being taken and others left. This causes people concern but the longer the wait and the more liberal the interpretation, I think it is less an issue than when I started in ministry. We looked at this in the Advent Group at Buckland Brewer on Tuesday and were invited to consider the fears we entertain and how we allay them.

There are plenty of potential disruptions to nations around the globe, environmental or warfare, to concern us. See what we can entrust into God's hands and perhaps share matters for prayer with other Christians to hold in prayer. Jesus has plenty to say about worry, mainly don't! Seek to live with justice and compassion as we enter this season of Advent. You might like to join us at Buckland Brewer Chapel on Tuesdays at 7.30pm, there's plenty of room. *Jane*

Please send Tricia (as an attachment) any posters for your church events for circulation and loading on the website. email: hartlandcoastparishes@gmail.com

Afterwards, it would be lovely to see some photos, which I can put up on the website.

As ever, if you are sending me photos, PLEASE send them as .jpg or .png attachments for me to download, as it takes so much time to unravel them otherwise and this format is suitable for loading directly to the website without my having to play with them! Thank you, Tricia
