**Christmas** I wish you all a very peaceful Christmas, but I know that for many people that is a difficult message to hear at the moment. At this time, if you would like to speak to me about concerns or how you're feeling about Christmas, please do get in touch with me. I am always available to listen to you and support you.

**Building Works at Holy Trinity** Sadly during recent works at we have realised that the roof in the south aisle is dangerous and in urgent need of repair. We have estimated that the repair will cost about £20,000, but the whole roof in the south aisle will need to be repaired in the near future with a cost of about £150,000. **As a result, we have had to cordon off the south transept until the urgent repair is done.** This will mean the organ can't be played, but we will still be able to have Advent and Christmas! We are expecting an engineer in January to make an assessment and a further update will be provided after that.

**Prayers and Anointing on Christmas Eve** – Revd Andrew will be available at All Saints' Church on Christmas Eve, between 10.30am and 11.30am, to offer prayers and anointing to anyone who wishes to attend.

**Thanks!** Thank You to all who have helped to prepare our churches in preparation for Christmas! It is the hard work of so many people that helps to prepare our churches to welcome people at this special time of year. A huge Thank You to you all.

**Photos & Filming** We are in a period of fundraising now at both churches. At Christmas, we will be filming and photographing during certain services, to help with fundraising. If you have any questions or objections to being filmed or photographed, please contact Revd Andrew privately.

**Do join us for tea and coffee after the service!**
