Building Works in our Churches Sadly during recent works we have realised that the roof in the south aisle is dangerous and in urgent need of repair. We have estimated that the repair will cost about £20,000, but the whole roof in the south aisle will need to be repaired in the near future with a cost of about £150,000. **As a result, we have had to cordon off the south transept until the urgent repair is done.** This will mean the organ can't be played, but we will still be able to have Advent and Christmas! We are expecting an engineer in January to make an assessment and a further update will be provided after that.

Carol Singing at the British Queen – Wednesday 17th at 6.30pm for 7pm. We will be singing in The British Queen on Wednesday evening – come and join us as we sing our hearts out to those well known carols and raised money for the roof repairs at Holy Trinity!

Preparing our churches for Christmas! We are in need of some help in preparing our churches for Christmas! At Meldreth, we'd like some help in arranging the furniture at **12pm on Thursday 18th**, and preparing the church for the Carol Service and the weekend ahead! At Melbourn we'd like some help at **10am on Friday 19th**, to help with preparing the church, cleaning and moving some chairs. If you are able and willing, please do meet us as we prepare for our churches for Christmas.

Christmas Card Our Christmas Card is now out and about and contains all the details for the Christmas Service times. We also have some A4 posters of the service times at the back of each church, please feel free to take one and display in your window or your car etc.

Do join us for tea and coffee after the service!
