# A LETTER FROM GRACE

My dear friends,

On Remembrance Sunday last year (I am writing this in 2025), the journalist, Alison Pearson, was visited by two police officers who told her that she had been reported for a non-crime hate incident.

She asked what it was she had said, or written, but they said they couldn't tell her.

She asked who her accuser was. Not only was she told that they couldn't tell her but said that she mustn't refer to the person as the "accuser" but as the "victim".

What happened to innocent until proved guilty?

When she wrote an article about it, she had a lot of support, but she was nevertheless very upset. Shortly after the article appeared, she took a taxi in London. When she got out, the taxi driver looked at her and growled, "You that Alison Pearson?"

"Yes, I am," she replied, fearing the worst.

"No charge, love," he said, and drove off.

Now she was a well-paid journalist, probably on expenses, so the saving of the taxi fare meant very little to her, but this act of kindness meant a great deal.

We live in mad times at the moment, with wars and conflicts all over the world and acts of gratuitous violence in all countries, including our own. Even the law seems to have gone pear-shaped. It seems to me that small acts of kindness in these times are more important than ever.

Jesus never gave us the idea that things were going to get better. In fact, He warned us that the world, if anything, would get worse. He said that there would be wars, famines and earthquakes.

However, He also said, "Believe Me, anyone who gives even a cup of cold water to one of these little ones, just because he is My disciple, will by no means lose his reward."

So there we have it, small acts of kindness.

So as we travel into 2026, we would like the world in general to improve, but even if it doesn't, we should still take the opportunity to do small acts of kindness, because in that way, we can make the world close to us a better place, and it is a way of showing that we are Jesus's disciples.

All good wishes for a blessed New Year.

Yours in Christ,

Grace

## **FROM THE CHURCHWARDENS**

Dear friends

Happy New Year to everyone! We hope you all had a wonderful Christmas break and enjoyed whichever of our services and events you attended. If one of those services or events was the first time you, or one of your friends and family, visited our church, then we hope you, or they, will come again soon.

We're sending a special thank-you to John Rodes and son, who very kindly came with their truck and power-washed the paths in our front churchyard shortly before Christmas. That brings us on to think of all the other people who have kindly helped us in many ways, some seen and some unseen. These are all some great examples of acts of kindness, as Grace mentioned in her ministry letter, and we thank you all.

Moving into January, we have our week of prayer for Christian unity coming up on 18-25 January – the octave of St Peter and St Paul. And on the 24<sup>th</sup>, we're restarting our coffee and toasties again, after our Christmas break.

Yours in Christ

## CHURCH NEWS

*Adapted from our Facebook page, among other sources...*

Thank you to everyone who supported our November coffee and toasties in any way. It was especially wonderful to welcome Dan Flemen and his family, now that he's settling into his new home and starting to get around the village again.

Thank you to everyone involved in the lovely village Christmas tree lighting service, on Tuesday 2 December.

Rev. Tracy was very impressed by Year 3's knowledge about their topic of being called by God. They had some brilliant questions about her calling, too.

Thank you to all who celebrated Christingle with us on Sunday 7 December.  
Well done to the Christingle detectives! A special thanks to Heather for making our Christingle cakes.

Christmas lunch for The Three Churches Together clergy. Deacon Kim brought her posada, and lots of conversations were had with people about it. Lunch was yummy, thanks to the Ship.

Thank you so much to everyone at both St Paul's, Warton and Holy Trinity, Freckleton for their generous donations of socks, hats and Secret Santa gifts. They're off on their way to the Foxton Centre and Harbour House.

Freckleton C of E Primary School joined us for their Christmas Eucharist on Thursday 11 December. Well done to our lucky players who won these prizes in our game about hope and waiting in Advent.

We enjoyed *Carols at the inn* at the Coach & Horses on Friday 12 December.

Carols by candlelight: thank you to Freckleton C of E Primary School for singing your lovely carol and reading some of the lessons.

The pictures from the carols round the tree, on Friday 19 December, really do need no narrative to go with them, except for one word – magical! A huge thank you to Mr Slater from Holy Trinity Church, Freckleton for playing the piano for us, and thank you also to Father Christmas and his helper for taking time out of their busy schedules to deliver chocolate lollies to all the children on behalf of our wonderful PTFA. (Freckleton C of E Primary School)

## WI NEWS

The Freckleton WI meeting was held at the Village Hall on 9 December and was our Christmas meeting.

Kathy opened the meeting by welcoming everyone and said that the record of the last meeting will be read out in January.

We started off with a game called "Steal a Gift". Nine gifts were set out, and each member received a playing card. When their card was called, they chose a gift, and when all gifts had been chosen, members were allowed to steal them. After all the playing cards were dealt, the remaining members with gifts were allowed to keep them.

Members then enjoyed a wonderful buffet, catered for by Joanne at Tasteful Catering, with a glass of wine and desserts provided by the WI committee.

Our entertainment for the evening was provided by Just Jay, who sang songs from the 1950s, 1960s and 1970s, plus lots of Christmas songs we all knew the words to the songs and had a dance. A vote of thanks was given to Jay by Lynn Bourn.

Our next game was "Roll a Snowman": a type of beetle game with a difference. This was played by teams of six, and the winner from each table received a prize.

The competition was for a Decorated Jam Jar, and this was won by Margaret Thompson, with Lynn Desport coming second and Kathy Gemmell third. Michaela Bass won the 2024/2025 Competition Cup.

The answers for the Table Quiz were given and prizes given out, and the raffle was held.

Kathy Gemmell was presented with a bouquet of flowers in recognition of her work as President.

Kathy told her Christmas "Little Story" and, when the laughter subsided, wished everyone a Happy Christmas and a safe journey home.

## YURCH NEWS

December was another busy month for us. We finished our Christmas craft making, in aid of our charities, 'Ronald McDonald House' and 'Lancashire Mind.' Thank you to everyone who gave us donations, we will tell you next month our total so far.

Those of you who have attended our December services will have noticed we have contributed in different ways. During the service on 7 December, Ella and Purdie did a brilliant job with the intercessions, and Samuel read the New Testament Lesson beautifully. The following week, the trio sang the first verse of 'Once in Royal David's City' and then joined the choir for the rest of the Carol service. They did a magnificent job, praised by many in the congregation, and the choir very much appreciated their contribution.

We finished the term with a celebration night, with a blast from the past, playing our version of the old TV game 'Family Fortunes'.

We hope you have all had a great Christmas and New Year, hopefully with some of your family, but if that wasn't possible this year, don't forget, our church family is always ready to welcome you at any of our services and social events.

Best wishes from Lynn & Gwen (Yurch Leaders)

## DAN'S NEXT STEPS

### **29 November**

Dan made his very first outing last weekend, to the coffee morning at Holy Trinity Church. He had a fab time, and he caught up with friends, old and new. Thank you to Rev. Tracy and everyone for making ourselves and Dan so welcome.

### **01 December**

Dan made his second outing last weekend, to the Christmas fayre at Freckleton Methodist Church, with great stalls selling Christmas bits. He again had a fab time, and he caught up with friends old and new. Thank you to Deacon Kim Gabbatiss and everyone for making ourselves and Dan so welcome.

We were hoping to get to St Paul's for their Christmas fayre on the same day, but unfortunately, Dan was too tired by then.

It's always busy for Dan with medical appointments. He was back at Royal Manchester Children's Hospital for his regular MRI scan, to check that his brain tumour is still responding to the marathon of chemotherapy he endured, which was 78 weeks in total. His shunt is also checked.

Dan is getting stronger day by day now he's home. This time, he managed to stay still in the MRI scanner for an hour and did not need to be sedated by general anaesthetic. This is a massive milestone for him, as he managed to control his dystonia, which has always got the better of him in the past.

### **05 December**

Dan had a lovely evening at the lighting of the Christmas tree in the village. We used to go every year before Dan became ill. It was fantastic to see it so well supported by everyone.

### **12 December**

Last weekend, Dan was out and about and managed to go to St Paul's coffee morning. Fab sausage barmes, and lots of cake and coffee. Thank you to everyone who made us feel so welcome. Dan also had a catch-up with Trish Wood, whose grandson went to school with him.

### **14 December**

A great big thank you to Freckleton Band for making time to come to play for Dan. It was really kind to keep him in your thoughts. This really cheered up Dan, who has been suffering dystonic/epileptic episodes, which are being investigated at the moment by his new medical team. It was much appreciated – the joy it brought to his face.

Thank you to everyone at Love of the Glove. The love and support from the local boxing fans has been fantastic, and the local awareness generated and amounts raised have, and will, make a massive difference to Dan.

### **18 December**

It's only Thursday, and Dan's been very busy with Pear Tree School visiting him at home for lessons, and visits to Blackpool Victoria Hospital and Royal Manchester Children's Hospital. The great news is that the operation carried out at RMCH to rebuild his left foot has been a success, and it is healing very nicely. The surgeon is very pleased with progress. The good news just keeps on coming: the results from his disease development scan show his brain tumour is stable, with no changes. Dan has also had an EEG test carried out, to try and help diagnose his seizures/episodes, and we are waiting for the results. Onwards and upwards!

### **19 December**

It was hard to believe it was our first Christmas at home for three years with Dan.

Thank you to everyone who has supported our family and our Dan.

If you still want to help and support Dan, we'll be deeply thankful. There is no question that he would benefit from additional rehabilitation, therapies and equipment not readily available on the NHS.

# FRECKLETON CHURCH OF ENGLAND PRIMARY SCHOOL NEWS

## School news from December 2025

### Staffing news

We are looking forward to welcoming two new members of staff to school following the Christmas break. Mrs Bonney and Mrs Hingley will both be working as Teaching Assistants in school, and we are sure they will very quickly slot into our team and our wider Freckleton family.

We are also pleased to announce Mrs Wormleighton's new arrival, Tobias James Wormleighton, who arrived safely and weighing in at a healthy weight of 9 lb 6 oz. We can't wait to meet the youngest member of our Freckleton family in the new year.

### Christmas!

We knew Christmas was just around the corner when our beautiful tree arrived. We are very grateful to Rob Isles from Flaming Logs for providing the tree to school free of charge. It has certainly brightened up the dark December days and provided much joy to the children, staff and visitors alike.

### Peter Pan at the Lowther Pavillion

Sticking with the Christmas traditions, the whole school enjoyed a visit to the Lowther Pavillion to watch this year's pantomime *Peter Pan*. Thanks to our wonderful PTFA, the visit was made affordable for all. As they say, "We'll have to do it again then won't we? Wooh!" We are already looking forward to next year and what *Beauty and the beast* has in store.

### Infant nativities and junior carol concerts

Our children certainly know how to put on a show! All the children from our youngest in Freckles through to our oldest children in Year 6 took part in a Christmas performance over the last couple of weeks. What better way to let their lights shine than to retell the Christmas story.

### Carols round the tree, including a special visitor

May God bless you abundantly this Christmas season and fill your hearts with the peace and joy of Christ's birth. As we celebrate the mystery of the Incarnation, may the light of Emmanuel—God with us—guide and strengthen you in your daily lives. May the Lord keep you safe, grant you good health, and surround you with His loving care throughout the Year of Our Lord 2026. May He bless your families, your homes, and our parish community, now and always.

**Loving Lord,**

Let our eyes see the wonders you do,

Our ears be open to listen to you.

Let our minds be ready to learn and grow,

Our love for others always show.

Let our lips be kind and used to care,

Our hands be generous, quick to share.

Let your love shine and keep us safe,

Let our knowledge be always grounded in faith.

**Amen**

## NEWS FROM LIFE ASSOCIATION

# Life *Association*

Dear friends,

As many of you will be aware, this autumn we have been appealing for support to rebuild the Life Christian School in India, which provides a quality Christian education to 200 children from rural communities.

The foundation work has been completed, and the pillars and plinths have been installed to form the ground floor of the building. Work has begun on the first floor, the slab work is in progress, and the plinth beams and pillars are being installed, which will form the first floor of the building.

Pictured below is Bhanu, a former student at the school. In August 2023, we shared his story of how the school has had a positive impact on his future. When he left school, he went to college to train as an electrician and plumber. This provides him with a steady income to provide for his family. He is married with two young daughters, who also attend the school. They are also part of the church family. Bhanu is assisting with the construction of the new school building.

We thank you for your generous donations that are helping to make all this possible. As we have shared previously, we estimate the rebuilding of the school will cost approximately £66,000, with ongoing running costs of approximately £24,000 per year to cover the cost of teaching and after-school provision.

Please will you consider making a donation to ensure Jesus-centred Christian education is secured for future generations in this community for families like Bhanu?

God bless you,

Lisa and the Life Association team
