## **Diocesan Renewal Programme**

A reminder to keep the programme, and the participation of both parishes, in your prayers. Please pray the LyCiG prayer for growth as often as you can!

## **Children's Society Home Collection Boxes**

If anyone has one of these that needs to be emptied please pass to Marjorie Charnley during December.

## **St Thomas' Christmas Charity: "Nothing is Impossible".**

This charity supports older people and children in being able to go on trips, holidays. The children are referred to the charity by social services.

We can help with donations of money or toys for children up to the age of 10 years. A box will be available in the back of church.

## **Repairs at St Thomas'**

We are currently facing a number of bills at St Thomas' for repairs. The Refectory floor needs to be strengthened urgently, the leaking underfloor pipe needs to be repaired and the ceiling at the back of church needs to be patched up. The total cost is likely to be in the region of £6000 and will make a sizable dent in our unencumbered funds. Any donations towards the required repairs will be gratefully received.

## **Leaf Compost at St Thomas'**

Sales have raised over £120. There are still a few bags left!

## **Eco Church**

As the Eco church team move towards the gold award we are looking for new members to join the group. If you are concerned about how climate change is affecting our world and care for the people and nature who suffer from those changes, then we would love you to join our enthusiastic team at St Thomas. Please speak to any member of the team to volunteer or ask any questions about the role.

## **Christmas Eco Tips**

As we approach Christmas, there are lots of things that we can consider putting into action to help make our Christmas one that is kinder to God's earth. Avoid cards with glitter or foil as these can't be recycled. Use recyclable wrapping paper or perhaps get creative and make your own from cloth, brown paper or newspaper. Try to buy food that is organic or Fairtrade. Plan meals carefully so not to have excess. If you need new Xmas lights, buy the LED option. Perhaps gift an experience. There are lots more good ideas on the internet, just google "Christmas eco tips". Here are a few sites that you might try:

## **Inclusive Church**

Large print hymns books and Order of Service booklets are available. St Thomas also has some magnifying glasses with back lights, two sets of ear defenders and a small selection of sensory toys. If you know anyone who would like to bring children or adults with SEND please let them know they are very welcome.

## **Food Support**

Please keep your kind gifts coming. We have undertaken a stock review and we have plenty of pasta for the time being (we received a large donation from Haslingden Link). However, we are short of the following items: Long life milk, Tins of meat, Sugar, Soup, Tins of fruit, Toiletries and Toilet Roll.
