LYCiG — Leading Your Church into Growth

Over the last week or two a few people have kindly mentioned that, in church life, we sometimes use acronyms that not everyone immediately recognises. So here's one you may hear a little more this year, explained in plain English!

What does LYCiG mean?

This year, St Leonard's has agreed to take part in LYCiG, which stands for Leading Your Church into Growth.

What is it?

Leading Your Church into Growth is a programme offered within our Diocese to help churches take a fresh and honest look at their life and mission. It supports us as we ask important questions about who we are as a church, how we serve our community, and how we can grow in confidence as followers of Jesus.

What kind of "growth" are we talking about?

LYCiG isn't simply about increasing numbers (although welcoming new people is always a joy). It is about growth in the fullest sense — growing deeper in faith, stronger in discipleship, and more intentional in our mis-

sion, so that we become more fully the church God is calling us to be.

Some of the questions we'll be exploring include:

- What are we doing well as a church, and how can we build on it?
- Where are the gaps in our welcome, worship, pastoral care, or community life?
- How can we help more people come to know Jesus?
- How can we strengthen the links between Sunday worship and everyday life?

Where are we up to?

The programme has already begun with an introduction evening, followed by a Clergy Day at Whalley Abbey, which was a valuable chance to reflect, pray, and begin thinking about what growth might look like in our own setting. This weekend we take the next step with a PCC Away Day at Bamber Bridge Methodist Church, giving us dedicated time and space to listen, plan, and work together.

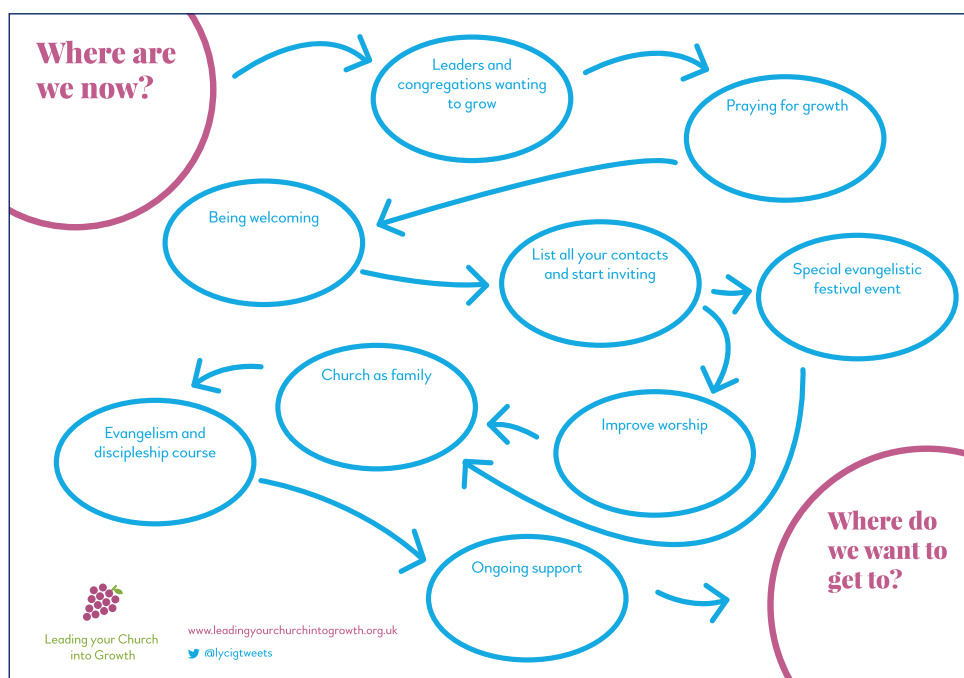

Thank you!

This is a significant undertaking for our church, and it will involve time, energy, prayer, and commitment over the coming months. We are very grateful to everyone who is already investing so much into this process — your willingness to serve, contribute ideas, and engage wholeheartedly is a real gift to the life of St Leonard's.

How can we all be involved?

We will keep everyone updated as LYCiG continues, and there will be opportunities for others to share thoughts and hopes for the future too. In the meantime, the most important thing we can all do is pray — that we will listen well, love well, and follow where God leads us, as we seek to grow in faith and witness here in Penwortham.

And finally, thank you again for the feedback about acronyms — it's a helpful reminder that clear communication helps everyone feel included.

On that day representatives of the Diocese together with friends and partners will gather in Blackburn Cathedral for a celebration of the Eucharist commencing at 7pm.

I am writing now in the hope that you can save the date in your diaries. A formal invitation will come from the Cathedral in the early part of the Summer. This comes with my thanks and prayers, Bishop Philip.
