**Big Energy Saving Week 17<sup>th</sup> to 23<sup>rd</sup> January. Save money and help the planet!**

Eco Church invite you to be part of The National Big Energy Saving Week Campaign. It is run by the Energy Saving Trust, [energysavingtrust.org.uk](http://energysavingtrust.org.uk) and Citizens advice. If you go to their website each day of that particular week it will give you expert tips on how to lower your energy bills. Why not give it a try, it's a win for yourselves and for God's Earth.

**Eco Church**

Our Eco Church group now has an Eco Church table at the back of church. Our main aim is to advertise the fact to new visitors to church that St Thomas's is an active Eco Church. We intend to highlight different Eco days during the year. At present there are some handouts identifying all the Eco days in 2026 and also a report on the recent COP30 in Brazil. Please take a copy and enhance your awareness of action being taken to care for God's Earth.

## **Inclusive Church**

Large print hymns books and Order of Service booklets are available. St Thomas also has some magnifying glasses with back lights, two sets of ear defenders and a small selection of sensory toys. If you know anyone who would like to bring children or adults with SEND please let them know they are very welcome.

## **Repairs at St Thomas'**

We are currently facing a number of bills at St Thomas' for repairs. The Refectory floor needs to be strengthened urgently, the leaking underfloor pipe needs to be repaired and the ceiling at the back of church needs to be patched up. The total cost is likely to be in the region of £6000 and will make a sizable dent in our unencumbered funds. Any donations towards the required repairs will be gratefully received. An extremely generous donation has already been offered for which we are very grateful.

## **Food Support**

Please keep your kind gifts coming. We have undertaken a stock review and we have plenty of pasta for the time being (we received a large donation from Haslingden Link). However, we are short of the following items: Long life milk, Tins of meat, Sugar, Soup, Tins of fruit, Toiletries and Toilet Roll.

## **Planet ABBA 7.30pm Friday 6<sup>th</sup> February**
