## **Big Energy Saving Week 17<sup>th</sup> to 23<sup>rd</sup> January. Save money and help the planet!**

Eco Church invite you to be part of The National Big Energy Saving Week Campaign. It is run by the Energy Saving Trust, [energysavingtrust.org.uk](http://energysavingtrust.org.uk) and Citizens advice. If you go to their website each day of that particular week it will give you expert tips on how to lower your energy bills. Why not give it a try, it's a win for yourselves and for God's Earth.

## **Eco Church**

Our Eco Church group now has an Eco Church table at the back of church. Our main aim is to advertise the fact to new visitors to church that St Thomas's is an active Eco Church. We intend to highlight different Eco days during the year. At present there are some handouts identifying all the Eco days in 2026 and also a report on the recent COP30 in Brazil. Please take a copy and enhance your awareness of action being taken to care for God's Earth.

## **Inclusive Church**

The Inclusive Church Group is always looking for ways to make St Thomas' more accessible for everyone. We have large print hymn books, Order of Service sheets, pew sheets as well as magnifying glasses both with and without lights. For anyone with any SEND needs, we have a wheelchair at the back of the church which can be used plus sensory toys and ear defenders to help anyone with sensory issues. Don't forget that, if you need to use the ramp at the back door, to ring the doorbell and someone will let you in. If you have any ideas or issues please mention them to Jo, Rachel, Phil or Tricia.

## **Repairs at St Thomas'**

We are currently facing a number of bills at St Thomas' for repairs. The Refectory floor needs to be strengthened urgently, the leaking underfloor pipe needs to be repaired and the ceiling at the back of church needs to be patched up. The total cost is likely to be in the region of £6000 and will make a sizable dent in our unencumbered funds. Any donations towards the required repairs will be gratefully received. An extremely generous donation has already been offered for which we are very grateful.

## **Food Support**

Please keep your kind gifts coming. We have undertaken a stock review and we have plenty of pasta for the time being (we received a large donation from Haslingden Link). However, we are short of the following items: Long life milk, Tins of meat, Sugar, Soup, Tins of fruit, Toiletries and Toilet Roll.

## **Planet ABBA 7.30pm Friday 6<sup>th</sup> February**
