To FOLLOW

Do you follow a football or rugby team or any team in particular?

Do you have a passion / hobby that you follow to the finest detail?

The modern world surrounds us with digital opportunities to follow this, that and the other.

To follow means to go in the same direction as that person or activity ; to be like them; to learn more about and understand whatever or whoever it is.

Following may be what we want to do for many reasons, but it is not always easy.

In Matthew 4:19 - Jesus says to Simon and Andrew, “come and follow me”. From the shores of lake Galilee into the unknown. They did not know where they were going.

The first action is to come and the second to follow.

Jesus calls us all to follow – from the first encounter into His presence, to how this works out in all our lives.

We are to come daily to Him. To seek him and to follow him where he calls each of us to be.

Jeremiah 6:16 says “¹⁶ *This is what the Lord says: “Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it,”.*

Let us look, seek, come to him and follow where-ever that may lead us.

Please bring something savoury and something sweet ready to serve and share with others, with serving spoons etc. As a welcoming church, we would like to provide enough food for any Bubble Church families who come so please bear that in mind.
