

StowCable Churches

Word from RevLaura

I was a little disappointed that we didn't have more snow here, but there is time of course. There is something so beautiful about snow covering the landscape though. It covers up all the death of the winter, the bare branches, the sleeping plants and makes everything that is dark seem light. It is only temporary but a reminder that laying underneath the earth all that sleeps will once again come alive. The Seasons are God's way of reminding us that everything changes, even if we sat and did nothing things would change, and when the Winter comes, Spring is only around the corner. Churches have seasons as well, seasons of growth and pruning, and as God's people it is our job to work in these seasons, it means at times we must do the pruning, the sowing and the feeding. This year we will plan some special meetings for PCC's and anyone else to discuss the mission of the churches and how we can plan for the next season. I hope you will join us when we meet at your Church and be part of the next season. Amen.
