LIVING OUT BAPTISM

BY REVEREND GARY FLEMING

Last Sunday we celebrated the Baptism of Christ. In doing so, we remembered that Christ's ministry in the spirit started from that point. Immediately after His baptism, Jesus is led into the wilderness by the Holy Spirit and resists temptation three times, establishing on earth His dominion over darkness.

Reflecting on this event as part of the Epiphany celebration, I asked the question, is our baptism a one-time event, or a lifelong event that has meaning every day. Of course, the answer is that it is a lifelong event. And that, like Christ, we are baptised not only into the body of the church, but into a life of ministry. When we consider our baptism this way, we understand that we all have a calling that we live out. We are each tempted every day as Christ was, but we are called as he was to resist, and in our ministry to be strong in the faith.
