Dear Friends,

*On this holy morning, as we celebrate the birth of Christ, we pause to reflect on the year that has passed. 2025 has brought its share of challenges—moments that have tested our resilience, our faith, and our fellowship. Yet through it all, we have discovered again the strength that comes when we walk together, supporting one another in love and prayer.*

*As we look ahead to 2026, we know there will be further challenges to face. But today, the Christ-child reminds us that we do not face them alone. In Him we find hope that endures, light that shines in the darkness, and fellowship that binds us together as God's people.*

*The manger is not just a symbol of God's humility; it is a promise of God's presence with us in every season. May that promise inspire us to meet the coming year with courage, compassion, and joy.*

*On this Christmas morning, I pray that the peace of Christ will fill your hearts, your homes, and our community. May His love guide us through whatever lies ahead, and may His fellowship strengthen us to walk together in faith.*

*With every blessing,*

*Revd Andrew Birks*
