Word of the month

Happy New Year! No I'm not getting ahead to January- I'm thinking the liturgical year! On Advent Sunday we begin a New Year of readings and cycles which we are encouraged to explore and read together as a church nationwide.

Advent is a time to draw closer to each other and to God as the nights draw in early. I took this picture after the lights on this week and was so encouraged by the outline of the building of St. Luke's against the dusk. It reminds me of Romans 13:12 – "The night is far gone, the day is near. Let us then lay aside the works of darkness and put on the armor of light." This imagery of putting on light will also following us in the liturgy this advent. Hopefully I will see you at our Crafternoon and/or Carol service this month. Blessings,

Revd Coral

JOY

Prayer for Advent season

God of hope and promise, As we light the candles of Advent, we remember your light shining in the darkness. Bless this community with peace in our hearts, companionship in our days, and courage in our waiting.

May your love surround us in our homes, strengthen us in our bodies, and comfort us in our memories. Prepare us to welcome Christ anew, with joy that is gentle, and hope that endures.

Through Jesus Christ our Lord.

Amen.
